PREFACE TO THE FIRST EDITION.

This volume contains the Fundamental Rules made by the Secretary of State under Section 96B of the Government of India Act and the Supplementary Rules made by the Governor General in Council in exercise of the powers conferred upon him by the Fundamental Rules. The orders, interpretations and audit instructions issued by the Secretary of State, the Governor General in Council and the Auditor General respectively have been reproduced below the rules concerned. The audit decisions issued by the Auditor General and the Accountant General, Posts and Telegraphs, and the instructions issued by the Director General of Posts and Telegraphs in his circulars in exercise of his powers as "competent authority" have also been reproduced below the relevant rules. These decisions or rulings are produced in this volume in order that the rules may be correctly interpreted and applied; they are not to be regarded as authorising the grant of concessions or emoluments which may require the administrative sanction of Government or of a subordinate authority.

2 Although the volume is primarily intended for officers of the Posts and Telegraphs Department, an attempt has been made to make it as complete as possible by incorporating all important orders and decisions including those which do not directly affect the Posts and Telegraphs Department. It is hoped that with the aid of this compilation the rules will be better understood and that a considerable reduction in correspondence will result. In referring to decisions etc., incorporated in this volume the quotation should be made as indicated below —

"Government of India's decision (4) below Fundamental Rule 45 in the Posts and Telegraphs Compilation of Fundamental and Supplementary Rules."

3. It is requested that any errors or omissions which may be found in this volume may be brought to the notice of the Accountant General.

A. C. BADENOCH,
*Accountant General,
Posts and Telegraphs.*

CALCUTTA;

Dated the 21st September 1926.

PREFACE TO THE SECOND EDITION.

This edition brings the Compilation up to date, with corrections issued up to 31st August 1930, having been incorporated in it. The orders, decisions, etc., which have been rendered obsolete by the revision of the rules themselves have been either deleted or transferred to a more suitable place.

Wherever the principles involved have not been affected by the revision of the rules the decisions, etc., under the old rules have been retained under the revised rules and the relevant (clauses of the) new rules have been shown in parenthesis against the references to old rules contained in those decisions etc. Opportunity has also been taken to show in parenthesis for the sake of convenience, the relevant rule (or appendix) in a code against orders or resolutions quoted in decisions, etc., which may have since been codified. The references quoted under the Audit Instructions have been brought up to date. Important audit rulings have also been incorporated in this edition. A new Appendix embodying the Civil Services (Classification, Control and Appeal) Rules has been inserted.

The Accountant General's recent decisions have been omitted from this compilation, as they cannot be considered to be sufficiently authoritative for a compilation of this character. The old decisions, however, which have stood the test of time have been retained.

It is requested that any errors or omissions which may be found in this volume may be brought to the notice of the Accountant General, Posts and Telegraphs.

JAGAT PRASAD,

*Accountant General,
Posts and Telegraphs.*

DELHI,

The 17th January 1931

PREFACE TO THE SECOND EDITION (REVISED).

This edition again brings the Compilation up to date. It incorporates all corrections issued to the second edition up to the 31st July 1935.

For the sake of convenience, it has been divided into two volumes—Volume I containing the Civil Services (Classification, Control and Appeal) Rules, the Fundamental Rules and the Supplementary Rules made by the Governor General in Council, and Volume II containing the Appendices and Forms.

The opportunity has also been taken to recast the book in a more legal and convenient sequence. The Civil Services (Classification, Control and Appeal) Rules have been brought into the body of the book as the opening Section of the first volume, and the Fundamental Rules have been reprinted in two sets. The first set gives them in the form applicable to members of services under the rule making control of the Secretary of State in Council and the second set in the form applicable to members of services under the rule making control of the Governor General in Council.

There are some verbal differences in the two sets of the rules (*e g*, F R's 19 and 69) and the number of these will probably increase as divergent amendments are made by one authority or the other. The object of printing the rules in the two sets is to facilitate reference and subsequent corrections.

No attempt has been made to revise any of the rules in order to eliminate any verbal inconsistencies they may at present contain as the legal offspring of the Civil Services (Classification, Control and Appeal) Rules. They have merely been reproduced as they stand.

An attempt has been made to indicate briefly in footnotes the history or date of effect of all changes in the rules since the Second Edition

The orders and decisions, etc., of various authorities under the Fundamental Rules have been reproduced in the main under the second set of Fundamental Rules, in Section III, applicable to the Governor General in Council's services. Some few of them, however, which could be readily distinguished as being solely applicable to the Secretary of State's services have been taken to Section II. Some have been omitted as obsolete, and some others have been re-phrased to suit changes in the rules to which they refer. The Accountant General's decisions have been finally omitted in view of the extra departmental clientèle which the Compilation is now serving.

To reduce the growing size of the work, the following portions of it have been omitted in view of their merely local or specialised interest —

(a) S. R. s 317A to 317P VI

(b) Appendices 1, 2 and 12

Appendix 5A has been taken under F. R. 17 in Section III and the gap has been utilised to accommodate the Re-employed Personnel (Conditions of Service) Rules, 1932, for the better understanding of F. R. 22A.

Readers are advised to retain the Second Edition of the Compilation for reference.

The undersigned would be grateful if errors or omissions could be brought to his notice.

B. NEHRU,

Posts and Telegraphs*

C. S. (C. C. A.) R. 4. Notwithstanding the provisions of the foregoing rule, the Government may by notification published in the *Gazette of India* or the local official Gazette—(1) Exclude wholly or in part from the operation of these rules any ministerial or petty officer or inferior servant, or any class of such officers or servants to whom the Government shall declare that the rules cannot suitably be applied, and these rules shall thereupon, to the extent of such exclusion, cease to apply accordingly (2) declare in respect of any person or group of persons that these rules shall not apply in whole or in part to such person or group and these rules shall thereupon cease to apply accordingly:

Provided that no declaration under sub-rule (2) of this rule shall be made in respect of any person who—

- (a) holds a pensionable post, or
- (b) holds a permanent whole-time post; or
- (c) was appointed by the Secretary of State in Council or the Governor-General in Council, save by or with the sanction of the appointing authority

C. S. (C. C. A.) R. 5. If any doubt arises—

- (a) as to whether these rules apply to any person, the matter shall be referred to the authority which appointed him;
- (b) as to whether any person to whom these rules apply belongs to a particular service, the matter shall be referred to the controlling authority of that service,
- (c) as to which of two or more services is the service to which a person to whom these rules apply belongs, the matter shall be referred to the highest authority among the controlling authorities of the services concerned,

and, in each case, the decision of the authority to whom the matter is referred shall be final.

[1] This amended phrase takes effect from 1st November 1932.

C. S. (C. C. A.) R. 6. The decision of the Secretary of State in Council shall be final on any question whether any rule, purporting to be made in exercise of the powers conferred by these rules, was validly made or contravenes any of the provisions of these rules and the authority by which the rule was made shall give effect to any orders which may be passed by the Secretary of State in Council thereon.

C. S. (C. C. A.) R. 7. Where by these rules power is delegated to, or conferred upon, any authority to make rules regulating the classification, the methods of recruitment, the conditions of service, the pay, allowances and pensions, or the discipline and conduct of any class of the Civil Services specified in Rule 14, the rules, notifications, and orders, by whatsoever authority made, regulating these matters in respect of that class which were in operation on the date these rules were made shall remain in operation except in so far as they may be inconsistent with these rules or may be specifically cancelled or modified in exercise of the aforesaid power by the authority to which it is delegated.

C. S. (C. C. A.) R. 8. Nothing in these rules or in any rule made thereunder shall operate to deprive any person of any right or privilege to which he is entitled—

- (a) by or under any law, or
- (b) by the terms of any contract or agreement subsisting between such person and Government on the date these rules came into force.

C. S. (C. C. A.) R. 9 (1) Subject to the provisions of Rule 8, nothing in any rule made under these rules shall operate to affect to the disadvantage of any person to whom these rules apply, the conditions of service in respect of pay, allowances, pensions or any other matter which are applicable to him—

- (a) on the date these rules came into force, or
- (b) by virtue of any order or rule made by the Secretary of State in Council, -

unless—

- (i) the rule has been made with the previous sanction of the Secretary of State in Council, or
- (ii) the authority which made the rule had power on the 8th day of March 1926 to make it, or
- (iii) such person gives his consent.

(2) For the purpose of this rule, a person who was holding a post on the aforesaid date, in an officiating or provisionally substantive capacity, and has been subsequently confirmed in such post without having reverted therefrom, shall be deemed to have been holding that post on that date.

Government of India's decision^f.—A question was raised whether the action of a Local Government in restricting by executive order, the leave salary of an officer protected by Rule 9 of the Civil Services (Classification, Control and Appeal) Rules during leave on half average pay out of India to actual half average pay instead of the

minimum of £25 admissible to him under F R 90, even with the officer's consent, was *ultra vires*. It was held that the order was *ultra vires* of F R 90 and the following analysis of the case was given by the Auditor General with the agreement of the Government of India —

Rules 9 and 46 of the Civil Services (Classification, Control and Appeal) Rules each has its own special purpose. Rule 9 provides definitely for deliberation of existing rules governing conditions of service and there cannot be deliberation of service conditions laid down in rules except by action under Rule 9.

Rule 46 provides for —

- (i) additional concessions to members of a service not incorporated in statutory rules (*vide* the running commentary in Appendix 3 A). This purpose of the Rule is not apparent from the wording of the Rule itself.
- (ii) Regulation of conditions of service *ab initio* of holders of special posts, or even of members of general services who discharge particular functions.

Agreement under Rule 46 should be a formal agreement executed either at the beginning of a contract period of service or when conditions are being laid down with regard to the performance of specific duties.

The scope of the two rules being as explained above, Rule 46 cannot be applied to deprive members of services of concessions they enjoy by Rule owing to their being on the cadre of a service. As deliberation is specially provided for by Rule 9, Rule 46 is clearly not intended to be another medium of deliberation.

If the provisions of the Civil Services (Classification, Control and Appeal) Rules are considered in relation to the facts of the present case it is clear that the Local Government's executive order was *ultra vires* of Fundamental Rule 90 as adopted by themselves for persons subject to their rule making powers. Such persons cannot be deprived of the benefit of the minimum leave salaries prescribed in Fundamental Rule 90 save through the medium of a Rule made by the Local Government under the power delegated in the Classification Rules and if such a Rule were made it would not apply to a person without the protection conferred by sub-rule (1) of Rule 9 of the Classification Rules unless the Rule were made with the previous sanction of the Secretary of State in Council or the person gave his consent to the application of the Rule to himself, which he presumably would not do unless he were subjected to some form of unjustifiable pressure.

Rule 46 of the Classification Rules has no application to the facts of the case. In the first place there appears to be no suggestion that the Local Government purported to provide by agreement with the persons concerned that they should not enjoy the benefit of the minimum leave salaries prescribed in Fundamental Rule 90, and, in the second place, the circumstances were not such as to bring Rule 46 into operation.

It does not prohibit the framing of a rule providing that exemptions from its applications may be granted by specific authorities in the exercise of their discretion. Such rules should be as few as possible and the discretion should be subjected to as many limitations as the circumstances permit and the discretion should be confined to Government in all except minor matters.

(1) The *Act* means the Government of India Act

(2) *Average pay* means the average monthly pay earned during the 12 complete months immediately preceding the month in which the event occurs which necessitates the calculation of average pay

Provided that —

¹(a) In respect of any period spent on deputation out of India which has been declared by the Governor-General in Council to be under *quasi* European conditions the pay which the Government servant could have drawn if on duty in India shall be substituted for the pay actually drawn

²(b) In the case of an officer of the Royal Engineers who entered civil employ on or before the 17th September 1925 and who during any period of the preceding twelve months has undergone military training by being attached to a unit for one month his pay for that particular month shall be assumed to be the pay which he drew in the month immediately preceding his training

³(c) The average pay of a military officer who is granted rent-free quarters and thereby foregoes lodging allowance in lieu thereof, shall, if he gives up such quarters before going on leave be calculated as though he had been drawing during the period of occupation the lodging allowance to which he would otherwise have been entitled

F. R. 9. (24) *Presumptive pay of a post*, when used with reference to any particular Government servant, means the pay to which he would be entitled if he held the post substantively and were performing its duties; but it does not include special pay unless the Government servant performs or discharges the work or responsibility, or is exposed to the unhealthy conditions, in consideration of which the special pay was sanctioned.

NOTE.—In the case of a chaplain, the acceptance during leave of a benefice in the United Kingdom is not acceptance of foreign service for the purpose of clause (b) above.

F. R. 14. (a) A Local Government shall suspend the lien of a Government servant on a permanent post which he holds substantively if he is appointed in a substantive capacity—

- (1) to a tenure post, or

(b) A Local Government may, at its option, suspend the lien of a Government servant on a permanent post which he holds substantively if he is deputed out of India or transferred to foreign service, or, in circumstances not covered by clause (a) of this Rule, is transferred, whether in a substantive or officiating capacity, to a post in another cadre, and if in any of these cases there is reason to believe that he will remain absent from the post on which he holds a lien for a period of not less than three years.

NOTE 1.—This clause applies if the post concerned is a post in a selection grade of a cadre.

NOTE 2.—When a post is filled substantively under this clause, the appointment will be termed a provisional appointment; the Government servant appointed will hold a provisional lien on the post; and that lien will be liable to suspension under clause (a) or (b) of this Rule.

(e) Except as provided in sub-rule (3) of Rule 97, a Government servant's lien which has been suspended under clause (a) of this Rule shall revive as soon as he ceases to hold a lien on a post of the nature specified in sub-clause (1), (2) or (3) of that clause.

(f) A Government servant's lien which has been suspended under clause (b) of this Rule shall revive as soon as he ceases to be on deputation out of India or on foreign service or to hold a post in another cadre, provided that a suspended lien shall not revive because the Government servant takes leave if there is reason to believe that he will, on return from leave, continue to be on deputation out of India or on foreign service or to hold a post in another cadre and the total period of absence on duty will not fall short of three years or that he will hold substantively a post of the nature specified in sub-clause (1), (2) or (3) of clause (a).

Insert the following as "Auditor General's Instructions" under this rule —

"Auditor General's Instructions"—The position regarding the power of Governments in India to grant to Secretary of State's Officers personal or special pay or both is indicated below —

Prior to the Secretary of State's recent orders, dated the 5th June 1913 and 9th August 1914 (as inserted by correction slips Nos 726 and 727, dated the 28th March 1914, below this Rule) the Governor General in Council had, under Fundamental Rule 19(2) (i) (a), the power to grant to a Secretary of State's Officer serving at the Centre personal or special pay or both, for a period not exceeding two years, on condition that the total pay of the officer, inclusive of special and personal pay, did not exceed Rs 4,000 a month. In the case of a Secretary of State's officer serving in connection with the affairs of a Province, the exercise of similar powers by the Governor General in Council under Fundamental Rule 19(2) (v) (b) was held to be inconsistent with the general lay out of the Government of India Act, 1935, and the Secretary of State therefore, promulgated his new rule of 14th April 1912 which had the effect of vesting in Governors in their individual judgment the same powers in the matter of the grant of personal or special pay as the Governor General in Council possessed under Fundamental Rule 19(2) (i) (a). Under the recent orders of the Secretary of State, dated the 5th June 1913 and 9th August 1914, referred to above, these enhanced powers of the Governor General in Council as well as of Governors in their individual judgment have now been withdrawn. The resultant position, which completely supersedes the provisions in the Fundamental Rule 19(2) (i) and in the Secretary of State's rule of the 14th April 1912, therefore, is that Governments in India, Central and Provincial, are now uniformly authorised to grant, without any limit of time, to a Secretary of State's officer personal or special pay or both, on condition that the aggregate of such personal or special pay or both shall not exceed one fifth of the officer's substantive pay or Rs 10 a day, whichever is less. In applying the Secretary of State's recent orders in question, the orders contained in clauses (ii) and (iii) of the Government of India, Finance Department, Letter of the 1st February 1911 (inserted by correction slip No 776, dated the 28th March 1914) should however, be borne in mind."

Provided that the local Government shall have power in any case in which they are satisfied that the leave was taken on account of illness or for any other cause beyond the Government servant's control to direct that extraordinary leave shall be counted for increment under this clause.

F. R. 27. An authority may grant a premature increment to a Government servant on a time-scale of pay if it has power to create a post in the same cadre on the same scale of pay.

F. R. 28. The authority which orders the transfer of a Government servant as a penalty from a higher to a lower grade or post may allow him to draw any pay, not exceeding the maximum of the lower grade or post, which it may think proper.

F. R. 29. If a Government servant is, on account of misconduct or inefficiency, reduced to a lower grade or post, or to a lower stage in his time-scale, the authority ordering such reduction shall state the period for which it shall be effective and whether, on restoration, it shall operate to postpone future increments and if so to what extent.

F. R. 30. Pay of officiating Government servants—

(1) Subject to the provisions of Chapter VI, a Government servant who is appointed to officiate in a post shall not draw pay higher than his substantive pay in respect of a permanent post, other than a tenure post, unless the post in which he is appointed to officiate is one of those enumerated in the schedule to this Rule or unless the officiating appointment involves the assumption of duties and responsibilities of greater importance than those attaching to the post, other than a tenure post, on which he holds a lien or would hold a lien had his lien not been suspended [* * *].

Provided that the local Government may exempt from the operation of this Rule and service other than an all-India service which is not organised on a time-scale basis and in which a system of acting promotion from grade to grade is in force at the time of the coming into force of these Rules:

Provided further that the Governor General in Council may specify posts outside the ordinary line of a service the holders of which may, notwithstanding the provisions of this Rule and subject to such conditions as the Governor General in Council may prescribe, be given any officiating promotion in the cadre of the service which the authority competent to order promotion may decide, and may thereupon be granted the same pay (whether with or without any special pay attached to such posts) as they would have received if still in the ordinary line.

(2) For the purpose of this Rule, the officiating appointment shall not be deemed to involve the assumption of duties or responsibilities of greater importance if the post to which it is made is on the same scale of pay as the permanent post, other than a tenure post, on which he holds a lien or would hold a lien had his lien not been suspended [* *], or on a scale of pay identical therewith

F. R. 46. ³(a) *Fees*—Subject to rules made by the Governor General in Council under Rule 46A, a local Government may permit a Government servant, if it be satisfied that this can be done without detriment to his official duties or responsibilities, to perform a specified service or series of services for a private person or body or for a public body including a body administering a local fund or for an Indian State, and to receive as remuneration therefor, if the service be material, a non-recurring or recurring fee.

NOTE—This clause does not apply to the acceptance of fees by medical officers in civil employ for professional attendance which is regulated by the orders of the Secretary of State in Council.

³(b) *Honoraria*—A local Government may grant or permit a Government servant to receive an honorarium from general revenues as remuneration for work performed which is occasional in character and either so laborious or of such special merit as to justify a special reward. Except when special reasons, which should be recorded in writing, exist for a departure from this provision, sanction to the grant or acceptance of an honorarium should not be given unless the work has been undertaken with the prior consent of the local Government and its amount has been settled in advance.

⁴(c) *Fees and Honoraria*—In the case of both fees and honoraria the sanctioning authority shall record in writing that due regard has been paid to the general principle enunciated in Fundamental Rule 11, and shall record also the reasons which in his opinion justify the grant of the extra remuneration.

A Local Government may require a similar certificate in the case of any Government servant who has been granted leave for reasons of health, even though such leave was not actually granted on a medical certificate.

F. R. 82. The following provisions apply to vacation departments only:—

- (a) A Local Government may make rules specifying the departments or parts of departments which should be treated as vacation departments, and the conditions in which a Government servant should be considered to have availed himself of a vacation.
- (b) Vacation counts as duty, but the periods of total leave in Rules 77, 81(a) and 81(b) should ordinarily be reduced by one month for each year of duty in which the Government servant has availed himself of the vacation. If a part only of the vacation has been taken in any year, the period to be deducted will be a fraction of a month equal to the proportion which the part of the vacation taken bears to the full period of the vacation.
- (c) In cases of urgent necessity, when a Government servant requires leave and no leave is due to him, the periods in Rules 77 and 81(a), as reduced by clause (b) of this rule, may be increased by one month for every two years of duty in a vacation department.
- (d) When a Government servant combines vacation with leave, the period of vacation shall be reckoned as leave in calculating the maximum amount of leave on average pay which may be included in the particular period of leave.

F. R. 83. (1) Subject to the conditions hereinafter specified a local Government may grant special disability leave to a Government servant who is disabled by injury intentionally inflicted or caused in, or in consequence of, the due performance of his official duties or in consequence of his official position.

(2) Such leave shall not be granted unless the disability manifested itself within three months of the occurrence to which it is attributed, and the person disabled acted with due promptitude in bringing it to notice. But the Governor General in Council, if he is satisfied as to the cause of the disability, may permit leave to be granted in cases where the disability manifested itself more than three months after the occurrence of its cause.

(3) The period of leave granted shall be such as is certified by a medical board to be necessary. It shall not be extended except on the basis of a fresh medical certificate.

[G I, F D Res No 1130 C ■ R dated 5th Oct. 1922]

Government of India's decision—Section 96 B of the Government of India Act is not applicable to *elected* Presidents and Fundamental Rule 94 A and the orders of the Secretary of State set out thereunder were therefore intended to apply only to the then appointed Presidents and not to *elected* Presidents. There can thus be no question of anything describable as leave of any kind being granted to or enjoyed by an elected President of a legislative body in India. Section 63 C (2) of the Government of India Act however provides that the Deputy President shall preside at meetings in the absence of the President and there is nothing to prevent the Governor permitting the temporary absence of the President for a limited period e.g. in the case of sudden illness or similar cause. The President can travel at Government expense only when his journeys are concerned with the business of the Council e.g. a journey from (or to) his home to preside over the Council, a journey to Simla or Delhi to attend a Conference of Presidents, a journey to the venue of some other Council to study its procedure—and the like. A claim for reserved accommodation by a President should therefore be accompanied by a certificate that the journey is official and if the audit officers question its admissibility the decision of the Governor should be final.

NOTE 1—In the case of Government servants sent to His Majesty's Government or in British colonies or protectorates, the contribution is payable by the employer, except in the case of Government servants sent in the War Office, whose contributions are paid in accordance with special arrangements with the War Office

[For Administrative Instructions issued by the Governor General in Council regarding "Procedure for Payment of Contribution", see Part 11 (a) of Appendix No. 3.]

F. R. 116. The rate of contributions payable on account of pension and leave-salary shall be such as the Governor General in Council may by general order prescribe.

¹ These revised rules have effect from the 5th September 1923.

(b) make rules prescribing the rate of interest, if any, to be levied on overdue contributions

[For rule made by the Governor General in Council, in his capacity as a Local Government, under Fundamental Rule 119 (b), see Supplementary Rule 307.]

F. R. 120. A Government servant in foreign service may not elect to withhold contributions and to forfeit the right to count as duty in Government service the time spent in foreign employ. The contribution paid on his behalf maintains his claim to pension, or to pension and leave-salary, as the case may be, in accordance with the rules of the service of which he is a member. Neither he nor the foreign employer has any right of property in a contribution paid, and no claim for refund can be entertained.

F. R. 121 A Government servant transferred to foreign service may not, without the sanction of the Local Government, accept a pension or gratuity from his foreign employer in respect of such service

SECTION III.

FUNDAMENTAL RULES.

(Applicable to members of services under the rule-making control of the Governor General in Council.)

SECTION III.

FUNDAMENTAL RULES.

Applicable to members of services under the rule-making control of the Governor General in Council.

Made by the Secretary of State in Council under Section 96B of the Government of India Act, as they stood on the 27th day of May, 1930, and subsequently amended from time to time by the Governor General in Council in exercise of the powers conferred on him by Rules 33 (2), 37, 42 and 44 (d) of the Civil Services (Classification, Control and Appeal) Rules in respect of the personnel under his rule making control

PART I.

Chapter I.—Extent of Application.

F R 1 These rules may be called the fundamental rules. They shall come into force with effect from the 1st January 1922.

Secretary of State's Orders—

(1) The Secretary of State has decided that statutory rules (framed by him) should have effect as hitherto from the date on which they were passed, subject to any special provisions as to the date of effect in the rules themselves

[G I, F D, No D 2358 A, dated 13th Oct 1925 and Part II of A I Cir No 25, dated 13th May 1925]

(2) The Secretary of State has decided that a sanction accorded by him in the absence of any indication to the contrary in the order itself, can only be held to lapse if and when it is superseded by an order of later date

[G I, F D, No D 939 A, dated 28th April 1928]

*Government of India's Order—*All orders issued by the Government of India prior to 1st January 1922 which are at variance with the Fundamental Rules or the Supplementary Rules framed under them, should be treated as cancelled with effect from that date

[G I, F D, No F 7 (6) C S R 24, dated 5th July 1924]

F R 2 The fundamental rules apply, subject to the provisions of rule 3, to all Government servants whose pay is debitable to civil estimates in India, and to any other class of Government servants in India to which the Secretary of State in Council may by general or special order declare them to be applicable. In relation to services under its administrative control, other than all-India services, a local Government may make rules modifying or replacing any of the fundamental rules; provided that—

(a) No such rule shall adversely affect any person who is in Government service at the time when the fundamental rules come into force, and

- (b) any such rule which grants any privilege or concession not admissible under the terms of the fundamental rules, or of the Civil Service Regulations as they stand at the time when the fundamental rules are introduced, shall require the sanction of the Secretary of State in Council

Secretary of State's Rule—The Governor General in Council and the Local Government of any Governor's Province may, by general or special orders permit deviations from any provisions of a purely procedural nature contained in any rules made or confirmed under Section 96 B of the Government of India Act provided that such deviations shall not affect the conditions of service the pay and allowances or the pensions of officers subject to the rule making control of the Secretary of State in Council

(This rule has been framed under Sec 96 B (2) of the Government of India Act, 1935.)

Page 112, Section III, F. R. 2—

Insert the following as "Government of India's orders" under the Rule —

"*Government of India's orders*—The rule published in the Notification No F 8 (25) R II/35, dated the 11th July 1935 [S of S is quoted above], delegates power to permit deviations only from provisions of a purely procedural nature, like, for instance, those contained in Part X of the Civil Service Regulations. In other words, it delegates power to permit deviations from such provisions as are so unimportant that they cannot be regarded as forming part of the conditions of service, and ought not to have formed part of the statutory rules or of those which have received statutory confirmation under Section 96B of the Government of India Act. The procedure laid down in rule 55 of the Civil Service (Classification, Control and Appeal) Rules definitely constitutes a condition of service, and is, as such, clearly outside the scope of the rule referred to."

[G. I. F. D. No. 1453 Ex. dated 20th June 1923.]

Auditor General's decision—* * * A Department of the Government of India acting under the rules for the conduct of the business of the Government of India may exercise the power of the Governor General in Council in relation to a subject which it administers and when so doing it acts as the Governor General in Council. Section 40 of the Government of India Act however lays down that all orders and other proceedings of the Governor General in Council shall be expressed to be orders by the Governor General in Council. Audit is therefore entitled to ask that a Department of the Government of India when intimating an order which can be issued under rule by the Governor General in Council only shall state in the order that it is issued by the Governor General in Council

[Ar. G. No 1217 A/477 23, dated 7th Dec 1923.]

F. R. 5 The power to make rules or general orders conferred upon local Governments by any of these rules shall be exercised after consideration by the Governor with his executive council and ministers sitting together, but the rules and orders so made shall be made by the Governor in Council or by the Governor and Ministers, according as the service affected is attached to a department dealing with reserved or a department dealing with transferred subjects. In the case of services performing duties both in a department dealing with reserved and in a department dealing with transferred subjects, the Governor shall decide by which authority the rules shall be made.

F. R. 5A. A Local Government may, where power to make rules or general orders is conferred upon it by any of these rules, relax the provisions of rules or orders so made by it in such manner as may appear to it to be just and equitable, subject to the limit of its powers to make such rules or orders.

Provided that where any such rule or order is applicable to the case of any person, the case shall not be dealt with in any manner less favourable to him than that provided by the rule or order.

F. R. 8. A Local Government may delegate to any of its officers, subject to any conditions which it may think fit to impose, any power conferred upon it by these rules with the following exceptions—

- (a) all powers to make rules;
- (b) the other powers conferred by rules 6, 9 (6) (b), 44, ²[45A, 45B, 45C], 83, 108A, 119, 121 and 127 (c), and by the first proviso to clause (1) of rule 30.

Auditor General's decisions—

(1) In cases where the power of interpretation of rules is reserved to the Governor General in Council or the Government of India, e.g., Fundamental Rules, Government of India Supplementary Rules, Devolution Rules and the Government of India Act all references relating to amendment or interpretation of these rules should be made direct to the Government of India

[Ar G's No 582 A/12824, dated 16th Aug 1924 to all Accountants General]

[In the case of Posts and Telegraphs audit, references to the Government of India should continue to be made by the Accountant General, Posts and Telegraphs]

[A. G. P. T. No. Mix. 1152/F 90(a), dated 27th Aug 1924]

(2) Fundamental Rules are rules made under the Act by the Secretary of State in Council. In these rules the Secretary of State has included a specific provision giving the Governor General in Council the power of interpreting the rules. As regards the other rules made by the Secretary of State in Council in exercise of the powers conferred upon him by the Act or issued under the Act by the Governor General in Council with the sanction of the Secretary of State in Council, which do not contain a similar provision or in respect of which the Governor General in Council has not been declared to be the interpreting authority, the ultimate authority for interpretation is the Secretary of State in Council and the Auditor General cannot regard himself as bound by an interpretation given by the Governor General in Council

[Ar G's U & I No 39 A/225 dated 9th Jan 1925 to G. I. F. D. and Ar G's No 183 A/225, dated 12th March 1925]

(3) A doubt having arisen whether the general principles of interpretation inculcated in the second sub paragraph of Article 4 of Civil Service Regulations continue to apply in the absence of any specific provision in the Fundamental Rules it is explained for information that the omission does not mean that the principles are to be abrogated. The intention is that they are to be followed so far the Fundamental Rules cover pay and allowances and leave. Under the Fundamental Rules pay and allowances are earned in respect of periods of duty and it seemed unnecessary to repeat the principle contained in the Civil Service Regulations in the matter. The rule as regards title to leave seemed so obvious that it was not deemed necessary to include it in the Fundamental Rules

If the rule relating to claims to pensions is not included in the section of the Fundamental Rules which will eventually deal with pensions it will be issued in the form of an audit instruction.

Chapter II.—Definitions.

F. R. 9. Unless there be something repugnant in the subject or context, the terms defined in this chapter are used in the rules in the sense here explained:—

(1) The *Act* means the Government of India Act.

(2) *Average pay* means the average monthly pay earned during the 12 complete months immediately preceding the month in which the event occurs which necessitates the calculation of average pay:

Provided that:—

¹(a) In respect of any period spent on deputation out of India which has been declared by the Governor-General in Council to be under *quasi*-European conditions the pay which the Government servant would have drawn if on duty in India shall be substituted for the pay actually drawn.

²(b) In the case of an officer of the Royal Engineers who entered civil employ on or before the 17th September 1925 and who during any period of the preceding twelve months has undergone military training by being attached to a unit for one month his pay for that particular month shall be assumed to be the pay which he drew in the month immediately preceding his training.

³(c) The average pay of a military officer who is granted rent-free quarters and thereby foregoes lodging allowance in lieu thereof, shall, if he gives up such quarters before going on leave, be calculated as though he had been drawing during the period of occupation the lodging allowance to which he would otherwise have been entitled.

NOTE.—The average pay of a member of the Bengal Covenanted Pilot Service shall be calculated at such rates as the Secretary of State in Council may by order prescribe.

Government of India's decisions.—(1) See item (1) of 'Government of India's decisions' under F. R. 51

(2) In the case of a military officer transferred to a Civil Department who proceeds on leave under Fundamental Rule 100 within a few months of his joining the Civil Department, it has been decided that a period of 12 complete months immediately

¹This proviso has effect from the 24th May 1927

²This proviso has effect from the 6th March 1923.

preceding the month in which the leave begins should be taken into account and that in respect of that portion of the period during which the officer was in military employ, his pay in the Military Department which comes within the definition of pay in Fundamental Rule 9 (21) (b) should enter into the calculation of average pay

Audit Instructions—

(1) According to the definition of average pay in this Rule the average is to be taken of the monthly pay earned during the 12 complete months immediately preceding the month in which the leave is taken and for this purpose the 12 complete months immediately preceding should be interpreted literally. Thus a Government servant who has been on leave from 23rd March 1922 to 22nd July 1922 inclusive is granted leave from 4th February 1923. His average pay should be calculated on the pay earned for the periods 1st February 1922 to 22nd March 1922 and 23rd July 1922 to 31st January 1923. If however a Government servant happens to be on leave for more than 12 months immediately preceding the date on which he takes leave under the Fundamental Rules then the average should be taken of the monthly pay earned during the 12 complete months immediately preceding the month in which the leave originally commenced

NOTE 1—(Omitted)

NOTE 2—In the case of a Government servant on foreign service out of India lasting for more than 12 months who on return to British service immediately takes leave under the Fundamental Rules the calculation of average pay should be based on the pay earned while in Government service should be based on the months preceding the month in which the leave is taken

Those definitions should in my view be strictly construed and an exact compliance required with the conditions stated in them as antecedent to the grant of either special pay or compensatory allowance. The grant of compensatory allowance

is a matter the control of which I have delegated to Local Governments with whose use of the discretion entrusted to them I should normally be reluctant to interfere. I desire, however, to make it clear that for the reasons given above I am unable to recognise any necessary inter dependence between special pay and compensatory allowance or to agree either that where the cost of living would justify the grant to an officer of a compensatory allowance, he should be rendered ineligible for such allowance because he has already been granted special pay in recognition of the duties and responsibilities of his post or that if the attachment of special pay to a post is justified under the terms of the Fundamental Rules it should be subject to reduction because for reasons essentially different a compensatory allowance as defined in Fundamental Rule H (5), is subsequently granted."

(1) In view of the importance attached to the correct classification of additions to pay such as special pay and compensatory allowance, it can be accepted as a general principle that the reasons for the grant of such additions to pay should be briefly recorded in the letter or memorandum conveying the sanction. In cases however in which an official record in an open letter may be undesirable it should be possible to communicate the reasons confidentially to the audit authority.

(2) In cases in which free passages are admissible under the Passage (Subordinate) Rules 1925 and an officer is permitted to make his own arrangements, the latter is entitled to receive only a passage allowance at the rates laid down in the Secretary of State's decision reproduced above and not the actual cost of the passage or passages engaged.

- 1 A Government servant who has been substantively appointed to a post or cadre in Government service shall be treated as on duty during any course of instruction or training which he may be required or permitted to undergo in accordance with the terms of any general or special orders of the Governor General in Council.

- (b) The period to be spent in preparation is limited to six months in a case covered by sub clause (iii) of clause (a) of this paragraph and to three months in all other cases provided that it may be extended to six months in the case of an officer of the Political

Department preparing for an examination by the Higher Standard or High Proficiency Test in Persian or Arabic

(c) The period of preparation under sub clause (v) of clause (a) of this paragraph shall be spent only in India

(d) Preparation shall not be permitted to count as duty more than once under each of the sub clauses of clause (a) of this paragraph except that in the case of the services enumerated in sub clause (i) the period of preparation may be taken in instalments by officers preparing themselves for one or more examinations provided that the total of the instalments does not exceed the maximum period of three months

(e) Periods spent in preparation under this paragraph may be combined with periods of leave as follows —

(ii) Under sub clause (v) of clause (a) with leave on average or half average pay

4 When a Government servant is treated as on duty under paragraphs 1 to 3 above his right to draw during such period any compensatory allowance attached to the post on which he holds a lien shall be governed as though he were on leave by Supplementary Rules 6 *et seq*

[G I F D Res No 724 C S R dated 16th May 1923 and No F/130 R. I/28 dated 2nd October 1923]

(2) The Government of India have declared under Fundamental Rule 9 (6) (b) (iv) that Government servants appointed in England who on their first arrival in India do not before they report themselves at the seat of Government receive orders to take over charge of a specified post shall be treated as on duty during the interval between the date of such report and the date on which they take charge of their duties provided that the interval between the receipt of orders and their assumption of duties shall not exceed the amount of joining time which would be admissible to a Government servant entitled to joining time under Fundamental Rule 10 (a)

These orders have been issued by the Government of India in its capacity as a local Government and apply to those Government servants only who are under its administrative control or in a Chief Commissioner's province

[G I F D Res No 122 C S R dated 10th Feb 1922, and letter No 175 C S R dated 28th Feb 1922]

(3) A probationer is entitled under Supplementary Rule 291, to leave under the leave rules which would be applicable to him if he held his post substantively otherwise than on probation, and so no

difficulty arises about a probationer whether he is confirmed in the post against which he was recruited or confirmed in another post. *The case of apprentices stands on a different footing, they are governed by Supplementary Rule 292, which provides only for leave during the apprentice period, and on confirmation, they cannot count their apprentice period for leave as if it had been service rendered substitutively in a permanent post.* This decision has the concurrence of the Government of India.

[Ar G's letter No 42 A/24331, dated 3rd February 1932.]

(4) The Government of India have decided that the time spent on training by civilian Government servants who join the Army in India Reserve of Officers will count as duty under Fundamental Rule 11 (6) (b)

[G I, F D, No F-81 F E, dated 27th September 1926.]

(5) A Government servant required to attend an obligatory departmental examination, or permitted to present himself at an examination the passing of which is a condition of preferment in Government service, may be treated as on duty during the day or days of the examination and during the reasonable time required for the journey, if any, to and from the place of examination.

[G I, F D, Memo No F 17 R I/29, dated 23rd January 1929.]

[A question arose whether a clerk in the Department of Education, Health and Lands who appeared in the Indian Audit and Accounts Service Examination held in December 1930 may be treated as on duty during the days of the examination in accordance with the orders contained in the Finance Department Memo No F 17 R I/29, dated the 23rd January 1929. It is arguable whether the passing of this examination by the clerk in question is a condition of preferment in Government service. It was decided in consultation with the Auditor General that this phrase covers only compulsory or optional examinations for promotion within the normal scope of the Government servants department or office.]

[G I, F D, No F/15 (5) R I/31, dated 25th March 1931.]

(6) 1 The time reasonably required for the journeys between the place of training and the station from which a Government servant proceeds in order to undergo training is part of the period of training. This ruling is not intended to apply to probationers holding 'training posts', which they may be considered as taking with them on transfer. Such probationers are entitled to joining time when transferred.

[G I, F D, letter No F 76 R I/22, dated 20th June 1929.]

2 In the case of Civil Officers granted commissions in the Army in India Reserve of Officers the period of training will not include the time spent in journey to and from the station at which the

training is carried out. The time spent by these officers in journeying to and from the place of training should be treated as duty and acting arrangements may be made during that time.

It was taken up on the 16th August 1924. It having been decided to post him as officiating Superintendent Engineer for his posting were issued on the 26th September 1924. Mr N joined duty on the forenoon of the 4th October 1924. The question arose how the period 26th August 1924 to 3rd October 1924 could be treated.

The circumstances of the case are similar to those referred to in R 9 (6) (b) (iv) inasmuch as in both cases the essential point is compulsory waiting by the officer concerned for orders of Government posting him to a particular post. Accordingly the Government of India with the concurrence of the Auditor General, decided that the period of waiting in the case of Mr N and in other similar cases should be treated as duty as in the case mentioned in F II 9 (6) (b) (iv).

- R. 9. (24) *Presumptive pay of a post*, when used, with reference to any particular Government servant, means the pay to which he would be entitled if he held the post substantively and were performing its duties; but it does not include special pay unless the Government servant performs or discharges the work or responsibility, or is exposed to the unhealthy conditions, in consideration of which the special pay was sanctioned.

Audit Instruction—The first part of the definition is intended to limit the use of the term in relation to a Government servant who has been absent from a post for some time but still retains a claim on it.

Para. 10, Chap. II, Sec. I of Manual of Audit Instructions (1926)

- R. 9. (25) *Special pay*, means an addition, of the nature of pay, to the emoluments of a post or of a Government servant, granted in consideration of—

- (a) the specially arduous nature of the duties; or
- ✓ (b) a specific addition to the work or responsibility; or
- (c) the unhealthiness of the locality in which the work is performed.

Secretary of State's decisions—

(1) The Secretary of State in Council is of the opinion that, provided the sanctioning authorities limit the allowances granted on account of the unhealthiness of a locality to cases in which the locality is really likely to cause illness or impaired vitality, it is reasonable that they should be taken into account in calculating leave salary and pension. The Secretary of State in Council desires that the attention of local Governments should be called to the fact that this limitation is inherent in the rule as it stands, and he has observed that the local Governments will no doubt re-examine any case in which they have reason to suppose that this condition has not been satisfied or does not continue to be satisfied.

Government of India's orders—All officers of the Army in India Reserve of Officers who are employed under the Central Government shall, when called to Army Service, retain a lien on their civil posts during the period for which they are called to Army Service

[G I F D Endorsement No F 3111 I/29, dated 19th March 1929]

F. R. 14. (a) The Governor General in Council shall suspend the lien of a Government servant on a permanent post which he holds substantively if he is appointed in a substantive capacity—

- (1) to a tenure post, or
- (2) to a permanent post outside the cadre on which he is borne, or
- (3) provisionally, to a post on which another Government servant would hold a lien had his lien not been suspended under this rule.

(b) The Governor General in Council may, at his option, suspend the lien of a Government servant on a permanent post which he holds substantively if he is deputed out of India or transferred to foreign service, or, in circumstances not covered by clause (a) of this Rule, is transferred, whether in a substantive or officiating capacity, to a post in another cadre, and if in any of these cases there is reason to believe that he will remain absent from the post on which he holds a lien for a period of not less than three years

(c) Notwithstanding anything contained in clause (a) or (b) of this Rule, a Government servant's lien on a tenure post may in no circumstances be suspended. If he is appointed substantively to another permanent post, his lien on the tenure post must be terminated.

(d) If a Government servant's lien on a post is suspended under clause (a) or (b) of this Rule, the post may be filled substantively and the Government servant appointed to hold it substantively shall acquire a lien on it; provided that the arrangements shall be reversed as soon as the suspended lien revives.

NOTE 1—This clause applies if the post concerned is a post in a selection grade of a cadre.

NOTE 2—When a post is filled substantively under this clause, the appointment will be termed a provisional appointment; the Government servant appointed will hold a provisional lien on the post; and that lien will be liable to suspension under clause (a) or (b) of this Rule.

(f) A Government servant's lien which has been suspended under clause (b) of this Rule shall revive as soon as he ceases to be on deputation out of India or on foreign service or to hold a post in another cadre, provided that a suspended lien shall not revive because the Government servant takes leave if there is reason to believe that

F. R. 19. Subject to the provisions of rules made under section 45-A of the Act, and to any restrictions which the Secretary of State in Council may by order impose upon the powers of the Governor General in Council or the Governor in Council, as the case may be, the fixation of pay **■** within the competence of a local Government; provided that, except in the case of personal pay granted in the circumstances defined in Rule 9 (23) (a), the pay of a Government servant shall not be so increased as to exceed the pay sanctioned for his post without the sanction of an authority competent to create a post in the same cadre on a rate of pay equal to his pay when increased.

Audit Instruction—It is not the intention of Fundamental Rule 19 that it should give a local Government power to grant less pay than is permissible under Fundamental Rules 22 and 23

[Para. 1, Chap IV, Sec I of Manual of Audit Instructions (1926)]

Auditor General's decision—The rule does not give a local Government power to grant pay in excess of what is permissible under other rules in the Fundamental Rules. Thus it does not enable a local Government to grant an initial pay higher than what is permissible under Fundamental Rule 22. But once an initial pay is fixed under Fundamental Rule 22, Fundamental Rule 27 enables an authority mentioned therein to grant advance increment immediately. Thus in fact, Fundamental Rules 22 and 27 read together enable an authority mentioned in Fundamental Rule 27 to fix initial pay in excess of the amount permissible by Fundamental Rule 22 only.

F ■ 20. When a Government servant is treated as on duty under Rule 9 (6) (b), the local Government may, at their option, authorise payment to him of the pay of his substantive appointment, or of any lower rate of pay which the local Government may consider suitable. If the duty consists in a course of training or instruction, the pay admissible may, if the local Government so direct, be, instead of either of the rates just specified, the pay of any officiating appointment held by the officer at the time he was placed on such duty, but this rate of pay shall not be allowed for a period longer than that for which the officer would have held the officiating appointment had he not been placed upon a course.

Audit Instructions—

(1) A Government servant who is treated as on duty during a course of instruction or training and who at the time when he was placed on such duty, was drawing higher pay on account of an officiating appointment may on every occasion during the period of instruction or training when he would have held that officiating appointment but for such instruction or training be allowed to draw pay equivalent to what he would have drawn had he been holding the officiating appointment

[Para. 21, Chap IV, Sec I of Manual of Audit Instructions (1926)]

(2) The expressions 'the pay of his substantive appointment' and 'the pay of any officiating appointment occurring in F R 20' should be taken to mean the pay which the Government servant drew in the post which he held substantively and the pay which the Government servant drew in the post in which he officiated respectively. In neither case is there any restriction on the kind of pay to be drawn and the expressions should therefore be held to include special pay, if any, which the Government servant drew in the post which he held substantively or in an officiating capacity

[Para 21, Chap IV Sec I of Manual of Audit Instructions (1926)]

(3) ^{del 21 (400)} F R 21 **Time-scale Pay**—Rules 22 to 29 inclusive and Rule 31 apply to time scales of pay generally. They do not, however, apply to any time scale sanctioned by the Secretary of State in Council in so far as they are inconsistent with terms specially so sanctioned for such time scale

²F R 22 The initial substantive pay of a Government servant who is appointed substantively to a post on a time scale of pay is regulated as follows—

(a) If he holds a lien on a permanent post, other than a tenure post or would hold a lien on such a post had his lien not been suspended ³[*]—

(i) When appointment to the new post involves the assumption of duties or responsibilities of greater importance (as interpreted for the purposes of Rule 30) than those attaching to such permanent post, he will draw as initial pay the stage of the time scale next above his substantive pay in respect of the old post;

(ii) when appointment to the new post does not involve such assumption, he will draw as initial pay the stage of the time scale which is equal to his substantive pay in respect

next increment in the time scale of the *new post*, and forthwith lose the personal pay and all connection with the time scale of his old post. The personal pay is given to a Government servant only for the purpose of initial pay and not at any subsequent stage in the new time scale in which the Government servant might draw less pay than he would have drawn had he remained in the old time-scale.

[Para 3B, Chap IV, Sec I of Manual of Audit Instructions (1926)]

(3) When a Government servant is appointed to officiate in a post on a time scale of pay but has his pay fixed below the minimum of the time scale under F R 35, he must not be treated as having effectually officiated in that post within the meaning of F R 22, or having rendered duty in it within the meaning of F R 20. Such an officer on confirmation, should have his initial pay fixed under F R 22 (b) and draw the next increment after he has put in duty for the usual period required calculated from the date of his confirmation.

[Para 13 Chap IV, Sec I of Manual of Audit Instructions (1926)]

(4) A time scale may be of recent introduction, whereas the cadre or class to which it is attached may have been in existence on a graded scale before the time scale came into force or it may be that one time scale has taken the place of another.

If a Government servant has held substantively, or officiated in, a post in the cadre or class prior to the introduction of a new time scale, and has drawn during the period salary or pay equal to a stage, or intermediate between two stages in the new time scale then the initial pay in the new time scale may be fixed at the salary or pay last drawn and the period during which it was drawn may be counted for increment in the same stage, or if the salary or pay was intermediate between two stages in the lower stage of that time-scale.

[Para 3, Chap IV, Sec I of Manual of Audit Instructions (1926)]

(c) The revised F R 22 is applicable in cases in which the occasion for fixation of pay arose on or after the date of effect of the revised rule, i.e., the 18th March 1930. In cases where the occasion arose before the 18th March 1930 but the question of fixation of pay is taken up after that date, the *old* F R 22 should be applied.

(b) [Para 3C, Chap IV, Sec I of Manual of Audit Instructions (1926)]
 Auditor General's decisions —

(1) Temporary posts on the usual time scale rates of pay sanctioned for an Accounts Office form a temporary addition to the cadre of that office. Under the orders contained in G I F D letter No 1 15 C S R /27, dated the 22nd January 1927 [item (1) of 'Government of India's decisions above], reversion to the ordinary cadre of a service from a post outside the cadre does not constitute 'substantive appointment to a post' for the purpose of F R 22. When, therefore, a Government servant reverts from a temporary post which he held substantively to his former permanent substantive post, F R 22 does not apply.

[Atr G I letter No. T-375, GE/10923, dated 23rd May 1929]

(2) It has come to the notice of the Auditor General that a specific declaration as to the relative degree of responsibility is some times called for by the Audit Officer even in cases where it is obvious beyond doubt that the duties attaching to the new post carry a higher degree of responsibility than those attached to the old post.

But the position has been altered deliberately in the revised F R 22 under which the initial pay of such a Government servant substantively appointed to a post should be fixed with reference to his substantive pay in respect of the old post. It has therefore been held that a Government servant when appointed to a post substantively while officiating in it is entitled to have his pay fixed anew under the revised F R 22 with reference to his substantive pay at the time in respect of his old permanent post."

(2) The expression 'subsequent increment in the old scale' in the proviso to F R 23 should be held to include grade promotion in cases in which a time scale of pay has been substituted for a graded scale of pay

F. R. 24 An increment shall ordinarily be drawn as a matter of course unless it is withheld. An increment may be withheld from a Government servant by a local Government, or by any authority to whom the local Government may delegate this power under Rule 6, if his conduct has not been good or his work has not been satisfactory. In ordering the withholding of an increment, the withholding authority shall state the period for which it is withheld, and whether the postponement shall have the effect of postponing future increments.

F. R. 25. Where an efficiency bar is prescribed in a time-scale, the increment next above the bar shall not be given to a Government servant without the specific sanction of the authority empowered to withhold increments.

Provided that the Governor General in Council shall have power, in any case in which he is satisfied that the leave was taken on account of illness or for any other cause beyond the Government servant's control, to direct that extraordinary leave shall be counted for increments under this clause.

³(c) If a Government servant, while officiating in a post or holding a temporary post on a time-scale of pay, is appointed to officiate in a higher post or to hold a higher temporary post, his officiating or temporary service in the higher post shall, if he is re-appointed to the lower post, count for increments in the time-scale applicable to such lower post. ⁴[The period of officiating service in the higher post which counts for increment in the lower is, however, restricted to the period during which the Government servant would have officiated in the lower post but for his appointment to the higher.] This clause applies also to a Government servant who is not actually officiating in the lower post at the time of his appointment to the higher post, but who would have so officiated had he not been appointed to the higher post.

(d) If a Government servant's tenure of a temporary post is interrupted by duty in another post or by leave other than extraordinary leave or by foreign service, such duty, leave or foreign service counts for increments in the time-scale applicable to the temporary post if the Government servant returns to the temporary post.

Provided that the local Government shall have power, in any case in which they are satisfied that the leave was taken on account of illness or for any other cause beyond the Government servant's control, to direct that extraordinary leave shall be counted for increments under this clause.

Audit Instruction—In their Finance Department letter No 2201-C S R, dated the 20th December 1923, read with their letter No F-45 C S R, dated the 19th July 1924, the Government of India have ruled that when a Government official is nominated as a member of the Legislative Assembly or the Council of State, it is permissible for the local Government to create a temporary post for the period of his absence from his headquarters and to appoint him thereto. Officiating arrangement may then be made under the ordinary rules for the performance of his regular duties at his permanent headquarters.

[Part 14 Chap IV S I of Manual of Audit Instructions (1926)]

F. R. 39. Pay of temporary posts—When a temporary post is created which may have to be filled by a person not already in Government service, the pay of the post shall be fixed with reference to the minimum that is necessary to secure the services of a person capable of discharging efficiently the duties of the post.

F. R. 40. When a temporary post is created which will probably be filled by a person who is already a Government servant, its pay should be fixed by the local Government with due regard to.—

(a) the character and responsibility of the works to be performed, and

(b) the existing pay of Government servants of a status sufficient to warrant their selection for the post.

Government of India's order ¹⁻² * * * Although it has been incorrect since the Fundamental Rules superseded the Civil Service Regulations to refer to officials holding temporary posts created for special purposes outside the regular line of their service as being on deputation or on special duty, recommendations are still commonly made in the obsolete terms of the Civil Service Regulations, and these terms are accordingly used for convenience in this order. All such posts are now technically temporary posts added to the cadre of the holder's service, and the rule governing the fixation of pay for the holders is Fundamental Rule 10 * * *. The correct method is to fix a consolidated pay split up, if convenient so dictates, into rupee and sterling elements. Possibly through the influence of Fundamental Rules 22 and 30, before they were amended in March 1930 to eliminate the unintentional extra of enhanced pay for a mere change in the character of duties performed, the tendency has gradually grown up of sanctioning enhanced pay for all posts temporarily created outside the ordinary line with regard to the provisions of Fundamental Rule 40. It has been ordered that the following principles should strictly be in fixing pay of such posts—

(i) A Government servant placed on "special duty" or "deputation" should have the pay of his temporary

fixed at what his pay would have been from time to time in the regular line had he not been so deputed

Note.—If the sanctioning authority is satisfied that a Government servant so deputed would otherwise have been advanced very shortly afterwards to a post carrying a higher pay than that which he was drawing at the time he was on duty of deputation, he may and would continue to hold such a post for

Page 163, Section III, Fundamental Rule 40—

Government of India's order (2)—As the fixation of a consolidated rate of pay of temporary posts has on some occasions led not to economy but to extravagance the orders contained in item (1) above are simplified and re-titled as follows—

Temporary posts may be divided into two categories—posts created to perform the ordinary work for which permanent posts already exist in a cadre, the only distinction being that the new posts are temporary and not permanent, and isolated posts created for the performance of special tasks unconnected with the ordinary work which a Service is called upon to perform. An example of the latter type of post would be a post on a commission of enquiry. A distinction by strict verbal definition is difficult but in practice there should be little difficulty in applying the distinction in individual cases. The former class of post should be considered to be a temporary addition to the cadre of a Service whose member may be the individual appointed to the post. The power of authority to create such a post will therefore depend on the provision of the Civil Services (Classification, Control and Appeal) Rules read with the provision contained in the Book of Financial Powers. The latter class of temporary post should be considered as unclassified and isolated of cadre posts the power to create which will depend upon the provision contained in the Book of Financial Powers.

2 Temporary posts which by this criterion should be considered as temporary additions to the cadre of a Service should be created in the time scale of the Service ordinarily without extra remuneration. Incumbents of these posts will therefore draw their ordinary time-scale pay. If the posts involve decided increases in work and responsibility in comparison with the duties of the parent cadre generally, it may be necessary to sanction a special pay in addition.

3 Isolated or cadre posts it may occasionally be desirable to fix consolidated rates of pay. Where, however, the post is to be held by members of a Service it will ordinarily be preferable also to create the post in the time-scale of the holder's service.

Provided that—

- (i) a Local Government may make rules providing the manner in which the present value of residences, including sites, shall be determined;
- (ii) a Local Government may make rules determining what expenditure is to be regarded for the purpose of sub-clause (a) above as expenditure upon the preparation of a site;
- (iii) a Local Government may, for reasons which should be recorded, authorise a revaluation of all residences of a specified class or classes within a specified area to be conducted under the rules referred to in proviso (i) above and may revise the capital cost of any or all such residences on the basis of such revaluation;
- (iv) the capital cost, howsoever calculated, shall not take into consideration (1) any charges on account of establishment and tools and plant other than such as were actually charged direct to the work in cases in which the residence was constructed by Government, or (2) in other cases, the estimated amount of such charges;
- (v) a Local Government may, for reasons which should be recorded, write off a specified portion of the capital cost of a residence—
 - (1) when a portion of the residence must be set aside, by the Government servant to whom the residence is allotted, for the reception of official and non-official visitors visiting him on business, or
 - (2) when it is satisfied that the capital cost, as determined under the above rules, would be greatly in excess of the proper value of the accommodation provided;
- (vi) in assessing the cost or value of the sanitary, water supply and electric installations and fittings, a Local Government may, by rules, determine what are to be regarded as fittings for this purpose.

III. The standard rent of a residence shall be calculated as follows:—

- (a) In the case of leased residences the standard rent shall be the sum paid to the lessor, *plus* an addition determined under rules which a Local Government may make, for meeting, during the period of lease, such charges for both ordinary and special maintenance and repairs and for capital expenditure on additions or alterations as may be a charge on Government and for the interest on such capital expenditure, as also for municipal and other taxes ¹[in the nature of house or property tax payable by Government in respect of the residence]

¹[] Substituted for the words payable by Government* with effect from the 10th November 1931

- (b) In the case of residences owned by Government, the standard rent shall be calculated on the capital cost of the residence, and shall be a percentage of such capital cost equal to such rate of interest as may from time to time be fixed by the Secretary of State in Council, plus an addition for municipal and other taxes [in the nature of house or property tax payable by Government in respect of the residence] and for both ordinary and special maintenance and repairs, such addition being determined under rules which a Local Government may make.
- (c) In both cases standard rent shall be expressed as standard for a calendar month and shall be equal to one-twelfth of the annual rent as calculated above, subject to the proviso that, in special localities or in respect of special classes of residence, a Local Government may fix a standard rent to cover a period greater than one month, but not greater than one year. Where a Local Government takes action under this proviso standard rent so fixed shall not be a larger proportion of the annual rent than the proportion which the period of occupation as prescribed under Rule 45 above bears to one year.

NOTE 1.—For the purpose of sub-clauses (a) and (b) above, the additions for both ordinary and special maintenance and repairs shall not include anything for the establishment and tools and plant charges, except to the extent allowed under proviso (iv) to clause II.

NOTE 2.—A Local Government may by rule permit minor additions and alterations, the cost of which does not exceed a prescribed percentage of the capital cost of the residence, to be made during such period as the rule may determine, without the rent of the residence being increased.

IV. When Government supplies a Government servant with a residence leased or owned by Government, the following conditions shall be observed:—

F. R. 46 ¹(a) Fees.—Subject to rules made by the Governor General in Council under Rule 46A, a local Government may permit a Government servant, if it be satisfied that this can be done without detriment to his official duties or responsibilities, to perform a specified service or series of services for a private person or body or for a public body including a body administering a local fund or for an Indian State, and to receive as remuneration therefor, if the service be material, a non-recurring or recurring fee.

NOTE.—This clause does not apply to the acceptance of fees by medical officers in civil employ for professional attendance which is regulated by the orders of the Secretary of State in Council.

¹(b) Honoraria—A local Government may grant or permit a Government servant to receive an honorarium ~~from general revenues~~ as remuneration for work performed which is occasional in character and either so laborious or of such special merit as to justify a special reward. Except when special reasons, which should be recorded in writing, exist for a departure from this provision, sanction to the grant or acceptance of an honorarium should not be given unless the work has been undertaken with the prior consent of the local Government and its amount has been settled in advance.

¹(c) Fees and Honoraria—In the case of both fees and honoraria the sanctioning authority shall record in writing that due regard has been paid to the general principle enunciated in Fundamental Rule 11, and shall record also the reasons which in his opinion justify the grant of the extra remuneration

Government of India's orders—

(1) Several instances have come to the notice of the Finance Department in which recommendations have been made by various Departments for the grant of honoraria to members of their office staff on account of a temporary increase in their work due to the holding of special Conferences under the auspices of a Department or Subordinate authority or of inter Departmental Committees. In the opinion of the Finance Department such temporary increases in work are normal incidents of Government service, and form part of the legitimate duties of Government servants according to the general principle enunciated in F R 11. Those so employed have therefore, no claim to extra remuneration

As there was no post against which the lien of the Government servant could be shown for the period of dismissal the question arose whether in the absence of lien on a permanent post the period of unemployment could count for leave or increments. It was decided that F. R. 54 is absolute and unconditional and that it could not be absolute if the condition of lien had first to be satisfied.

and the former class may be required by the Governor General in Council to retire on reaching the age of 50 years, if they have not attained to the rank of Superintending Engineer

1 This amended sub clause has effect from the 19th October 1923.

2 This amended sub clause has effect from the 3rd June 1930, it replaces old sub clauses (iv) and (v)

NOTE.—These provisions do not apply to members of the first and second divisions of the Superior Telegraph Traffic Branch (other than officers of the old Superior Telegraph Establishment), nor to those of the second division of the Superior Telegraph Engineering and Technical Branches, whose retirement is governed by clause (a) of this Rule.

- (2) Subject to the requirements of this sub-clause as to re-appointment, the Local Government may, in special circumstances, which should be recorded in writing, grant an extension of service not exceeding three months, to a Chief Engineer.
- (3) No Chief Engineer of the Public Works or Railway Department, and no officer in the Superior Revenue Establishment of State Railways, corresponding in rank to a Chief Engineer, nor any officer holding the post of Consulting Engineer to the Government of India, shall, without re-appointment, hold the post for more than five years, but reappointments to the posts may be as often, and in each case for such period not exceeding five years, as the Local Government may decide, provided that the term of reappointment shall not extend beyond the date on which the Government servant attains the age of 55, or, in the case of a Chief Engineer, more than three months beyond that date.

NOTE—Officiating service, unless followed by confirmation without interruption in such service, does not count towards the period of five years mentioned in this sub-clause.

- (v) The Bishops of Lahore, Rangoon, Lucknow and Nagpur, though borne on the cadre of the Indian Ecclesiastical Establishments, are not subject to any rule requiring their retirements at a particular age.
- (vi) The following provisions are applicable to military officers in civil employ:—

 - 3 a Lieutenant-Colonel who entered the service before the 1st April 1911, and was specially selected for increased pay on or before the 16th February 1921, may remain in civil employ till he completes 30 years' service; but if he is specially selected for increased pay after the 16th February 1921, he shall be retired on attaining the age of 55 years unless he has not completed

27 years' service for pension, in which case he may be retained until he completes such period of service

- (2) Military officers in the Survey of India Department cease to be in civil employ on reaching the age of 55 years unless granted an extension by the Secretary of State in Council
- (3) Military commissioned officers serving in the Public Works or Railway Department cease to be in civil employ under the same conditions as govern the retirement of civil engineers of those departments. In addition an officer of the Royal Engineers must retire on attaining the rank of General Officer, provided that, if he is holding a post of Chief Engineer, he may, with the sanction of the Governor General in Council, be permitted to complete a five years' tenure of the post, unless in the meantime he is required to vacate office under some other regulation
- (4) Military officers serving in any department, other than those mentioned in (1) to (3) of this sub-clause, cease to be in civil employ on reaching the age of 55 years; but any such officer, being a military commissioned officer and having held his post for less than five years, may for special reasons, with the sanction of the Governor General in Council, be permitted to retain it until he has held it for that period.

NOTE 1.—This rule does not apply to a Government servant who is appointed to any post by His Majesty the King Emperor of India, or by the Governor General in Council with His Majesty's approval.

NOTE 2.—For the purpose of sub-clauses (i), (vi) (3) and (vii) (4) of clause (c) of this rule officiating tenure of a post shall be included in calculating the period of five years.

NOTE 3.—The grant, under Rule 86, of leave extending beyond the date on which a Government servant must compulsorily retire, or beyond the date up to which a Government servant has been permitted to remain in service, shall be treated as sanctioning an extension of service up to the date on which the leave expires.

Secretary of State's Rulings—

The age of superannuation referred to in sub clause (c) (iii) should be 60 years in case of all incumbents of the posts included in F R. 98 which has replaced Art 547, C S R, irrespective of whether the officer concerned is recruited directly or promoted from a subordinate post

Government of India's orders —

(2) In view of the occurrence of the word 'ordinarily' in F. R. 56 (b), a ministerial Government servant can be retired from Government service between the age of 55 and 60 years on grounds other than those of efficiency and that in such a case he has no claim to be retained in service up to the age of 60 years. The purpose of F. R. 56 is not to confer upon Government servants any right to be retained in service up to a particular age but to prescribe the age beyond which they may not be retained in service

PART IV.

Chapter X.—Leave.

Section I—*EXTENT OF APPLICATION.*

F. R. 58. Unless in any case it be otherwise distinctly provided in section VI of this chapter, the rules in sections I to V of this chapter apply to all Government servants to whom the fundamental rules as a whole apply; provided that it shall be open to any person who is in Government service at the time when the fundamental rules come into force to exercise the option of remaining under the leave rules to which he has hitherto been subject. The intention of exercising this option must be specifically declared to the Local Government or the Governor General in Council, as the case may be, within six months of the date on which the fundamental rules come into force or, if the Government servant be on leave on that date, within six months of his return from leave. Every Government servant who does not make such a declaration will become subject to the rules in sections I to V of this chapter. The option once exercised is final.

NOTE.—A similar option may be exercised by the Government servants mentioned in rules 99 and 100.

[For the Revised Leave Rules, 1933, made by the Governor General in Council in exercise of the powers conferred on him by Rules 33 (2), 37, 42 and 44 (d) of the Civil Services (Classification, Control and Appeal) Rules, for the Central Civil Services subject to his rule making control in substitution for the corresponding rules in the Fundamental and the Supplementary Rules, see Appendix 7-A]

Secretary of State's Order—As an inducement to Government servants to accept the leave rules in these rules the Government of India have obtained the consent of the Secretary of State to the following concession. On the first occasion after the 1st January 1922 on which any Government servant who accepts the new rules takes leave he will be permitted, at his option, to draw, during that portion of his leave which corresponds to privilege leave, the pay of the post on which he holds a lien instead of his average pay without limit. (The term 'lien' should for this purpose be interpreted in the more liberal sense in which it is used in the Civil Service Regulations and not in the limited sense in which it is used in the Fundamental Rules.)

[Para 4 of G I F D, letter No 1070 U S R, dated 26th Oct 1921 and G I F D letter No 765 C S R, dated 15th July 1922]

Government of India's Order—Any Government servant who is on leave on the 1st January 1922 may, if he does not desire to exercise the option of remaining under the old leave rules, cancel the unexpired portion of his leave and substitute for it any period of leave to which he will be entitled under the new rules. This concession will be subject to the condition that it should not operate to secure to the Government servant concerned a larger total period of leave on average pay or its equivalent than he would have been able to enjoy had he been subject to the Fundamental Rules from the commencement of his leave.

[Para 5 of G I, F D, letter No 1079 C S R, dated 26th Oct 1921]

Audit Instructions—

(1) (a) A Government servant on leave on the 1st January 1922, who does not take advantage of the option of cancelling the unexpired portion of his leave and coming under the Fundamental Rules with effect from the 1st January 1922, is to be regarded as coming under the new rules with effect from the date of his return from leave unless he elects to remain under the old rules within six months of his return from leave.

(b) Privilege leave should be treated as the "equivalent of leave on average pay" with reference to paragraph 4 of Government of India, Finance Department, letter No 1079 C S R dated 26th October 1921, i.e., a Government servant who has enjoyed privilege leave combined with furlough on average pay for a period of 8 months (or up to 10 months in the case of those to whom the concession of the accumulation of privilege leave up to 6 months is applicable) prior to the 31st December 1921, is not eligible for any period of leave on average pay until he has resumed duty.

(c) The words "Government servants to whom the Fundamental Rules as a whole apply" used in this rule are intended to mean "Government servants referred to in Fundamental Rule 2"

[Para 1, Chap X, Sec I of Manual of Audit Instructions (1926)]

(2) The expression "the first occasion hereafter on which any Government servant takes leave" appearing in paragraph 1 of Government of India Finance Department, letter No 1079 C S R, dated the 26th October 1921, should be interpreted to refer, in the case of a Government servant who was on leave on the 1st January 1922 and who postpones coming under the Fundamental Rules till after his return from leave, to the first occasion on which he takes leave under the Fundamental Rules. In the case of a Government servant who has exercised the option of cancelling the unexpired portion of his leave and coming under the Fundamental Rules with effect from the 1st January 1922, he may do so without reference to the concession of drawing during leave corresponding to privilege leave the pay of the post on which he has a lien, but will be entitled to enjoy that concession on the next occasion on which he

takes leave thereafter, subject, however, to the proviso that, if he definitely asks that the substituted leave from the 1st January 1922 should be reckoned as the first occasion on which he takes leave under the Fundamental Rules, his request should be complied with.

[Para. 2, Chap. X, Sec. I of Manual of Audit Instructions (1926)]

(3) The expression "that portion of leave which corresponds to privilege leave" occurring in paragraph 4 of Government of India, Finance Department, letter No 1079 C S R dated 26th October 1921, should be interpreted to mean in the case of leave taken after the 1st January 1922 the first four months of any period of leave on average pay or any longer period of leave during which Note 1 under Fundamental Rule 89 makes maximum limits of average pay inapplicable. Such leave is in all other connections being treated as though it were privilege leave and may be treated similarly in this connection also. The limit of four months of leave on average pay should be held to be inclusive of the period of vacations, if any, prefixed to leave.

[Para. 3, Chap. X, Sec. I of Manual of Audit Instructions (1926), and A. G.'s No 223 A—21723, dated 7th June 1923]

F. R. 59 Leave is earned by a Government servant under sections I to V of this chapter if he holds a lien on a permanent post in civil employ or would hold a lien on such a post had his lien not been suspended.

F. R. 60. Leave is earned by duty only. For the purpose of this rule a period spent in foreign service counts as duty if contribution towards leave-salary is paid on account of such period.

F. R. 61. A military commissioned officer appointed to a post in civil employ becomes subject to these rules under the following conditions:—

(a) (i) An officer subject, before such appointment, to the Indian Army Leave Rules, becomes subject to these rules from the date of first substantive appointment to a post in civil employ or from the date of completion of three years' continuous officiating duty in such service, whichever is earlier. In reckoning continuous duty—

- (1) any period of foreign service, to which transfer was made direct from a civil post, may be included, and
- (2) leave does not operate to break continuity unless the officer has to revert to military employ in order to obtain such leave.

NOTE—This rule also applies to commissioned officers transferred from the Army Veterinary Department to the Civil Veterinary Department.

(ii) A continuous service officer of the Royal Engineers becomes subject to these rules from the date of his entry

into permanent civil employ or from the date of his election for continuous Indian service, whichever is later.

(iii) A non-continuous service officer of the Royal Engineers, if he elects for these rules, becomes subject to them from the date of his entry into permanent civil employ or from the date of completion of five years' Indian service, whichever is later.

(b) Transfer from military service to a post in civil employ, the tenure of which is limited to a definite period, does not entitle an officer to leave under these rules unless it is a condition of such transfer that he will not return to military employment at the expiry of his tenure of the said or any subsequent post in civil employ

Amended by G.O. 12, 1923
F. R. 62. Except as provided in Rule 61, a military officer in civil employ remains subject to military leave rules

F. R. 63 When a military commissioned officer subject to these rules is temporarily transferred to military duty, but retains a lien on his post in civil employ, the period of his absence counts as duty for leave under these rules

F. R. 64 Unless in any case it be otherwise expressly provided by or under these rules, a Government servant transferred to a service or post to which these rules apply from a service or post to which they do not apply is not ordinarily entitled to leave under these rules in respect of duty performed before such transfer; but a Government servant reverting from duty as Judge of a High Court, or as one of the officers specified in Rule 98 below, may count such duty for leave though it were duty performed in a vacation department, or taken during the service concerned being treated as taken under these rules.

F. R. 65. (a) If a Government servant, who quits the service on compensation or invalid pension or gratuity, and if his gratuity is thereupon refunded or his pension held in abeyance, his past service thereby becoming pensionable on ultimate retirement, he may, at the discretion of the authority sanctioning re-employment and to such extent as that authority may decide, so count his former service towards leave

(b) A Government servant who is dismissed or removed from the public service, but is reinstated on appeal or revision, is entitled to count his former service for leave, unless the appellate or reviewing authority declares that he shall not so count it in whole or in part.

Government of India's decision — The re-employment of a person who has retired on a superannuation or retiring pension is generally an exceptional and temporary expedient and it has been decided that in such cases the service of the re-employed pensioner should be regarded as temporary and that his leave should be regulated by Fundamental Rule 103

[G. O. F. D. Letter No. F/404 R. I/27, dated 21st Aug. 1923.]

¹ This revised clause (a) has effect from the 5th September 1923.

F. R. 69. A Government servant on leave may not take any service or accept any employment without obtaining the previous sanction of—

- 143/1 (a) the Governor General in Council, if the proposed service or employment lies elsewhere than in India; and
 (b) the Governor General in Council, or any lower authority empowered to appoint him, if the proposed service or employment lies in India.

Provided that a Government servant who has been granted permission to take any service or accept any employment under this rule, during leave preparatory to retirement, shall be precluded, save with the specific consent of the Governor General in Council, or any lower authority empowered to appoint him, from withdrawing his request for permission to retire and from returning to duty.

NOTE—This rule does not apply to casual literary work, or to service as an examiner or similar employment; nor does it apply to acceptance of foreign service, which is governed by Rule 110.

Secretary of State's decision—The Secretary of State now holds that the employment of officers who are on leave preparatory to retirement in trading concerns in India is *prima facie* open to grave objection and should be permitted only in very exceptional cases. All applications to take up private employment with trading concerns in India while on leave preparatory to retirement, which may be received from officers in India who are on leave preparatory to retirement or who are contemplating premature retirement in India should, therefore, be very carefully examined and forwarded to the Government of India with full explanation of the views of the local Government.

[G I H D No F 244—5 Public dated 12th Feb 1923]

Government of India's order—The principle underlying the orders contained in the above letter applies to all services but the sanction of the Government of India is required only in the case of members of the all India services. No reference to the Government of India is necessary in the case of persons appointed by the local Government or any lower authority.

[G I H D, No F 261—23 Public, dated 4th June 1923]

Government of India's decisions—

- (1) The Government of India have decided that, though the grant of permission to take up private employment during the leave on medical certificate is technically covered by the provisions of F R 69 (b) it is not the intention that the leave which can be obtained on the strength of a medical certificate should be allowed to a Government servant the state of whose health enables him to earn a competence by private employment. It has therefore been ruled that F R 69 should not be construed as permitting a Government servant who avails himself of leave on medical certificate, to undertake regular employment during such leave.

to reduce the amount of leave which could otherwise have been granted as leave proper. In the case of an officer of a vacation department, the maximum amount of leave that can be granted throughout his service under Fundamental Rules 81(a) and 81(b) is subject to the reduction prescribed in Fundamental Rule 82(b). Once the maximum amount of leave admissible to such an officer has thus been determined each time leave is applied for, it is subject to no further reduction by reason of the fact that vacation is combined with leave. The only occasion when vacation operates to reduce the amount of leave that may be granted under Fundamental Rule 81 is provided in Fundamental Rule 82(d) which requires that the period of vacation when combined with

in Council, in the case of a Government servant on leave in Asia, or the Secretary of State in Council, in the case of a Government servant on leave elsewhere, may by order prescribe. A Local Government may require a similar certificate in the case of any Government servant who has been granted leave for reasons of health, even though such leave was not actually granted on a medical certificate.

[For rules made by the Governor General in Council under Fundamental Rule 71, in his capacity as a Local Government, see Supplementary Rules 219 and 213.]

Secretary of State's order—The Secretary of State in Council has ordered that a Government servant who has taken leave on medical certificate out of Asia elsewhere than in Europe, North Africa, America or the West Indies, may not return to duty until he has produced a medical certificate of fitness from two medical practitioners in the following form—

'We certify we have carefully examined O. D., of the Department and find that he is in good health and fit to return to his duty in India'

If the certificate be signed by foreigners, it should be attested by consular or other authority as bearing the signature of qualified medical practitioners

Auditor General's decision—No certificate of fitness need be attested upon in the case of temporary Government servants.

[Ar. G. S. No 113 dated 14th Nov 1923.]

F. R. 72 Unless permitted to do so by the authority which granted his leave, a Government servant on leave may not return to duty more than fifteen days before the expiry of the period of leave granted to him.

F. R. 73 A Government servant who remains absent after the end of his leave is entitled to no leave salary for the period of such absence, and that period will be debited against his leave account as though it were leave on half average pay, unless his leave is extended by the Local Government. Wilful absence from duty after the expiry of leave may be treated as misbehaviour for the purpose of rule 15.

Auditor General's decision—It has been decided by the Auditor General with the concurrence of the Government of India that the overstay of leave taken by a Government servant before the introduction of the Fundamental Rules on 1st January 1922 should not be debited in his leave account

Section III — SPECIAL AND ORDINARY LEAVE RULES

F. R. 75 (1) All Government servants who are not hereinafter declared to be subject to the special leave rules shall be subject to the ordinary leave rules

(2) The following Government servants shall be subject to the special leave rules, namely —

- (a) Any Government servant having at the time of his appointment his domicile elsewhere than in Asia

Provided that no such Government servant shall be entitled to the benefits of the special leave rules who, prior to such appointment, was for the purpose of his appointment to any office under the Government or of the conferment upon him by the Government of any scholarship, emoluments, or other privilege, claimed and been deemed to be of Indian domicile,

- (b) Any Government servant having at the time of his appointment his domicile in Asia who, prior to the 24th July 1923, had been admitted to the benefits of the European services leave rules under the Civil Service Regulations, or who between the 1st January 1922 and the 24th July 1923, held a post which would have entitled him to such admission had he been subject to the Civil Service Regulations; and
- (c) Any Government servant having at the time of his appointment his domicile in Asia who, prior to the 24th July 1923, held substantively an appointment in a department in which the attainment of a certain rank or a certain rate of pay entitled the officer to admission to the benefits of the European services leave rules under the Civil Service Regulations:

Provided that such a Government servant shall only be entitled to the benefits of the special leave rules when he attains that rank or rate of pay:

Provided further that the concession allowed by clause (c) of this rule is not admissible to a Government servant who attains such rank or rate of pay by reason of being promoted by selection from a subordinate service or post after the 24th July 1923

Audit Instructions—

(1) A Government servant who becomes eligible for the Special Leave Rules while he is on leave under the Ordinary Leave Rules may, from the date he becomes so eligible, change the balance of his leave to leave under the Special Leave Rules

[Para 6, Chap X, Sec I of Manual of Audit Instructions (1926)]

(2) The expression "at the time of his appointment" occurring in Fundamental Rule 75 (2) (a) means the date of an officer's appointment to a service or post to which the provisions of the Fundamental Rules apply

[Para 6A, Chap X, Sec I of Manual of Audit Instructions (1926)]

See para 512.

F R 75A For the purpose of Rule 2 of Rule 75 the domicile of a person shall be determined in accordance with the provisions set out in the Schedule* to these rules:

Provided that a person who was born and has been educated exclusively in Asia and has not resided out of Asia for a total period exceeding six months shall be deemed to have his domicile in Asia unless in the case of a person to whom the proviso in sub-rule 2 (a) of Rule 75 does not apply it is proved to the satisfaction of the appointing authority that he did not have his domicile in Asia on that date

Secretary of State's decision.—See entry below F R (20).

F. R. 75B No Government servant who, after his appointment to a service or post acquires a new domicile, shall thereby lose his right to, or become entitled to admission to, the benefits of the special leave rules.

F R 75C. If any question arises as to the domicile of any Government servant at the time of his appointment, the decision thereon of the Secretary of State in Council in the case of persons appointed by him, of the Governor General in Council in the case of persons appointed by him, or of the Local Government in the case of persons appointed by them, shall be final.

Auditor General's decisions—

(1) The special leave rules in Fundamental Rules 75 to 75C are based on a recognition of the principle that officers serving out of their own country can legitimately be given more generous leave terms than officers serving in their own country. Thus, any Government servant whether gazetted or not even though he might have been subject to the Indian Service leave rules under the Civil Service Regulations is entitled under Fundamental Rule 75 (2) (a) to the benefits of the special leave rules with effect from the 24th July 1923, provided the criterion for the eligibility is fulfilled, i.e., if at the time of his appointment he had his domicile elsewhere than in Asia. This decision also applies to such Government servants as elected to remain under the leave rules in the Civil Service Regulations

Section IV—GRANT OF LEAVE

F R 76 A leave account shall be maintained for each Government servant in terms of leave on average pay

Secretary of State's orders—A separate account should be kept of the leave earned by a Government servant serving under a Government and then transferred to another Government and all leave taken after the date of transfer should be debited to this account so long as the balance under it is not exhausted, and the allowances drawn during all leave which is so debited, should be charged to that Government

[of S's telegram No 59 C & R, dated 12th Jan 1921 received with G L, F D No 970 C & R, dated 22nd Sept 1921]

leave under the military rules is not admissible in respect of the calendar year of transfer because the officer has not actually performed duty in the Military Department during that year.

NOTE.—A commissioned officer transferred from the Army Veterinary Department to the Civil Veterinary Department shall be considered, for the purposes of this rule, to have been subject to the Indian Army Leave Rules from the date of his arrival in India on his last tour of service.

(d) Any other Government servant transferred permanently from military to civil employ is entitled to a credit to his leave account based on such portion of his military duty as, under the rules for the time being in force, is permitted to count for pension

Provided that in the case of a Government servant (other than a Government servant who became subject to these Rules before the 10th April 1934) who becomes subject to these Rules in the calendar year in which he was transferred from military to civil employ, and who before transfer was subject to Military leave rules, the credit under this clause shall be reduced by 1/11th of the duty intervening between the date of his becoming subject to these rules and the termination of the calendar year of transfer, but this reduction shall not be made if privilege leave under the military rules is not admissible in respect of the calendar year of transfer because the officer has not actually performed duty in the Military Department during that year.

(e) A statutory—civil—servant or a Government servant who is subject, at the time when these rules come into force, to the Indian Service Leave Rules which were in force in January, 1920, is entitled to credit to his leave account, in addition to the periods admissible under clause (b) above, one-third of any period of leave on medical certificate taken under the former rules.

Government of India's decisions—

(1) See entry below F R 100

(2) The Government of India have decided that it was not the intention that the privilege leave admissible in cases of urgent necessity under Article 271, Civil Service Regulations, should be entered into the leave account under the Fundamental Rules. Such privilege leave is not leave due, though it may be granted under certain circumstances. When urgent necessity arises, Fundamental Rule 82 (c) permits an increase of the leave on the credit side by one month for every two years of duty. In this manner the period of duty rendered before 1st January 1922, which would have counted for leave under Article 271, Civil Service Regulations, will likewise be reckoned as duty, for the calculation of leave permissible in cases of urgent necessity after 1st January 1922. Thus existing rights are safeguarded.

[G. O. No. 430 C. S. R., dated 20th Mar 1923]

[This provision is in force from the 10th April 1934]

Auditor General's decision—Officers who join the Indian Army from a British Unit or from the Unattached List of the Indian Army are under the British Service Leave Rules during the period intervening between the date of their first commissions and the date on which they join an Indian Army Unit. Any portion of such service spent out of India, being neither service out of India under the Indian Army Leave Rules nor service in India under the British Army Leave Rules cannot therefore count towards leave under Fundamental Rule 77 (c) (2) (ii) or (iii).

[Ar G's letter No 331 A/11329 dated 29th Nov 1928]

Audit Instructions—

(1) Five twenty seconds of the period spent on duty should be calculated thus—

The amount of duty, as expressed in terms of years months and days should be multiplied by five and the product divided by twenty two. In this process of multiplication and division a month should be reckoned as equal to 30 days.

Two elevenths of the period spent on duty should also be calculated similarly.

[Para 9 Chap X Sec I of Manual of Audit Instructions (1926)]

(2) In calculating the leave admissible to Government servants subject to the ordinary leave rules for a part of their service and to the special leave rules for the remainder of their service, the periods spent on duty under each of those rules should be taken separately and the calculation of the leave admissible in respect of each of those periods should be made separately. According to this interpretation of the rule, the amount of leave that will be credited to the leave account of a Government servant who was originally under the Indian Service Leave Rules and then came under the European Service Leave Rules will, under Fundamental Rule 77 (b) be—(i) the privilege leave which it would, on the date on which he becomes subject to the Fundamental Rules be permissible to grant to him under the rules in force prior to that date, plus (ii) one twelfth of the period spent on duty or on privilege leave during the period he was under the Indian Service Leave Rules, plus (iii) one eighth of the period spent on duty or on privilege leave during the period he was subject to the European Service Leave Rules prior to the date of his coming under the Fundamental Rules, plus (iv) five twenty seconds of the period spent on duty subsequent to the date of his coming under the Fundamental Rules. The concession in Fundamental Rule 77 (c) should also be allowed subject to the proviso that the total leave so credited under Fundamental Rule 77 (b) (ii) should not exceed what would have been admissible had the Government servant been under the European Service Leave Rules from the beginning of his service.

[Para 10, Chap X, Sec I of Manual of Audit Instructions (1926)]

(3) The expression "period spent on duty" in clause (b) (i) (2), (b) (i) (3) and (b) (ii) (2) of this rule includes also periods of subsidiary leave taken under the rules in force prior to the 29th July 1920

[Para 11, Chap X, Sec I of Manual of Audit Instructions (1926)]

(4) In calculating the amount of leave that should be credited to the leave account of a Government servant other than a Military Commissioned Officer on his permanent transfer from Military to Civil employ, Fundamental Rule 77 (d) should be read with the provisions of the preceding clauses of that rule, so that such portion of the Government servant's military duty as under the rules for the time being in force count for pension should be reckoned as duty for the calculation of the amount of leave to be credited under clause (b) of the rule

In the same connection, a further point for consideration is whether in cases where a portion of the Military Service, which is allowed to count for civil leave under clause (d), was rendered prior to the 24th July 1923 the date on which 'domicile' was adopted as the sole criterion for eligibility for admission to the benefits of the special leave rules the proportion for the calculation of the credit in respect of that portion of the military service should be one eighth or one twelfth. This point will be decided by the Governor General in Council in each case as it arises on its merits

[Para 11D, Chap X, Sec I of Manual of Audit Instructions (1926)]

(5) The leave of a Government servant who has been in the employ of the Military Department and subject to the Civil Service Regulations should on his permanent transfer to the Civil Department, be regulated under F R 77 (b) and not under F R 77 (d). Any temporary service rendered by such a Government servant under the Civil Service Regulations counts for leave under S R 288

[Para 11A Chap X Sec I of Manual of Audit Instructions (1926)]

(6) In the case of a Military Commissioned officer in permanent civil employ who reverts permanently to the Military Department and is again transferred permanently to the Civil Department, the net amount of leave in the officer's leave account under the Fundamental Rules on the date of his reversion to the Military Department should be credited to his leave account when he again becomes subject to those rules and his leave account should be drawn up in the following manner —

- (i) Net amount of leave under Fundamental Rules at credit on the date of reversion to the Military Department, plus
- (ii) the leave on average pay under F R 100 at credit on the date on which he again becomes subject to the Fundamental Rules, plus

(iii) one eighth of the period spent on duty and on privilege leave from the date of reversion to the Military Department to the date on which he again becomes subject to these rules, *plus*

F. R. 78. The amount of leave debited against a Government servant's leave account is—

(b) half the period of leave on half average pay (other than special disability leave) or on quarter average pay or on leave-salary equal to subsistence grant under the note to Rule 88, or of special disability leave on average pay under Rule 83 (7) (b).

NOTE 1—No privilege leave taken under the former Civil Leave Rules, or by a military officer under the British or Indian Army Leave Rules before coming under civil rules, is to be debited under (a) above.

NOTE 2—(i) Under (b) above are to be debited—

(a) Furlough, leave on medical certificate and special leave with allowances taken under either the European Service Leave Rules or the Indian Service Leave Rules as they stood before these rules came into force.

(1) service in India under the Indian Army Leave Rules or the British Army Leave Rules, and

(2) service out of India under the Indian Army Leave Rules subsequent to the date of first arrival in India.

Provided that the debit on this account shall not exceed the credit given in respect of such service under Rule 77 (c).

(ii) In the case of a member of the Indian Civil Service or a military commissioned officer subject to these rules other than such an officer who became subject to these rules after 28th February 1928 and is subject to the ordinary leave rules or a chaplain on the Indian Ecclesiastical Establishment, special leave with allowances taken under rules previously in force, and leave not due taken under these rules, up to a combined maximum of three months, reckoned in terms of leave on average pay, shall not be so debited.

NOTE 3.—In cases covered by Rule 77 (d), the leave taken during the period of duty on which the credit to the leave account is based is to be debited as prescribed in Notes 1 and 2 above.

Government of India's ruling—Leave "not due" taken under Note 2 (ii), whether on medical certificate or not, should not up to a maximum of 3 months expressed in terms of leave on average pay be debited to the leave account of a member of the Indian Civil Service, or a military commissioned officer subject to the Fundamental Rules

F. R. 79. When a Government servant, who has previously been subject to the ordinary leave rules, is admitted to the benefits of the special leave rules, no change shall be made in the amount of leave previously credited and debited to his account, but he shall be entitled to the maximum amount of leave prescribed in Rule 81 (a) (i).

F. R. 80. The amount of leave due to a Government servant is the balance of leave at his credit in the leave account.

F. R. 81. Leave may be granted to a Government servant at the discretion of the authority entitled to grant the leave, subject to the following restrictions:—

one-eleventh of the period spent on duty subsequent to that date: *plus*

- (i) in the case of Government servants under the special leave rules, three years; or

- (ii) in the case of Government servants under the ordinary leave rules, two and a half years.

¹Provided that special disability leave on half average pay or on average pay under Rule 83 (7) (a) shall not be taken into account in calculating the maximum prescribed by this clause, and, in the case of such leave taken on average pay under Rule 83 (7) (b), account shall be taken of only half the period thereof.

(b) The maximum amount of leave on average pay including any furlough on average pay taken under rules previously in force ²[but excluding special disability leave on average pay under Rule 83 (7) (a)] which may be granted is:—

(i) To a Government servant under the special leave rules, eight months at any one time, and, in all,—

(6) In addition to leave on average pay for four months under Fundamental Rule 83 (7) (a) which is not debitable to the leave account, the maximum amount of leave on average pay that can be taken whether under Fundamental Rule 83 (7) (b) or under Fundamental Rule 81 (b) or both can be only eight months. This follows from a consideration of the wording in Fundamental Rule 83 (7) (b), under which a Government servant is allowed to draw leave salary equal to average pay for a period not exceeding the period which would otherwise be admissible to him as leave on average pay. Under Fundamental Rule 81 (b) this period is limited to eight months under clause (i) or four months under clause (ii) which may be extended by another four months in certain circumstances [vide proviso to clause (ii)]. In case leave on average pay for eight months, if due under Fundamental Rule 81 (b) is all taken under Fundamental Rule 83 (7) (b) no further leave on average pay can be taken under the provisions of the former rule. The total leave on average pay that can be granted to a Government servant therefore is only twelve months viz., four months under Fundamental Rule 83 (7) (a) and eight months under Fundamental Rule 83 (7) (b) or under Fundamental Rule 81 (b) or both.

Audit Instructions—

(1) The reduction by one month for each year of duty in which the Government servant has availed himself of the vacation as required to be made under Rule 82 (b) is intended to be made in respect of leave earned and vacation taken from 1st January 1922.

Thus in the case of Government servants of Vacation Departments the leave credited to their leave account under Fundamental Rule 77 will be—

- (1) privilege leave at their credit on 1st January 1922 (i.e., privilege leave earned under Articles 272 to 275, Civil Service Regulations) plus
- (2) one eighth (or one twelfth) of the period spent on vacation (or privilege leave) up to 31st December plus
- (3) five twenty seconds (or two elevenths) of the period on duty or vacation from 1st January 1922

From this, a reduction will be made of one month for each year of duty in which the Government servant avails himself of the vacation after 1st January 1922. Similarly the total leave admissible under Fundamental Rules 81 (a) and 81 (b) will be reduced by one month for each year of duty in which the vacation is taken after 1st January 1922.

[Para 18, Chap X, Sec I of Manual of Audit Instructions (1926)]

(2) The amount credited to the leave account under Rule 82 (c) as well as that added to the maximum under Rule 81 (a) should be the actual amount of additional leave taken under this Rule and not the total amount theoretically permissible, viz., one month for every two years of duty.

[Para 19, Chap X, Sec I of Manual of Audit Instructions (1926)]

(3) For the purposes of Government of India, Finance Department, Resolution No 1260 C S R, dated the 21st December 1921, a Government servant of a vacation department who combines vacation with leave on average pay can count as service for pension only a total period of four months on each occasion.

[Para 20, Chap X, Sec I of Manual of Audit Instructions (1926)]

(4) The restrictions on the combination of leave and vacation which were imposed by Article 278, Civil Service Regulations are not perpetuated under the Fundamental Rules. Such combination is, however, under the latter rules, subject to the condition mentioned in F. R. 82 (d) and it is thus permissible to allow a vacation to intervene between two periods of leave. Similarly vacations may be prefixed or affixed to leave or both prefixed and affixed.

[Para 17, Chap X, Sec I of Manual of Audit Instructions (1926)]

(5) The term "each year of duty" should be interpreted to mean, not a calendar year in which duty is performed, but months of actual duty. If the Government servant has such vacation as falls within a period of twelve months (or the day on which he begins his duty on return from leave) otherwise, then one month should be deducted from his account. It does not matter whether the day on which the vacation falls is a vacation in the succeeding calendar year. The question is whether the Government servant has enjoyed such vacation as fell within the period of one year as interpreted above.

If, to take an example, a Government servant before going on leave has not completed a full year of duty (including vacation) during the course of the second calendar year, then the fraction of one month which should be deducted from the leave account is the fraction which the period of duty, including vacation, bears to the whole year. If, to take a further complication, he has not enjoyed the whole of the vacation which fell during that period of less than a year, then the amount which should be deducted is the proportion of the period, which the proportion of vacation actually enjoyed bears to the whole period of vacation which fell within that period.

In the case of Government servants who are allowed two vacations in the year instead of one, the periods of the two vacations should be regarded as combined into one

[Para 12A, Chap X, Sec I of Manual of Audit Instructions (1926)]

Auditor General's decision.—As under Fundamental Rule 82 (d) a Government servant of a vacation department can combine vacation with leave on average pay subject only to the condition that the vacation so combined should be treated as leave for the purpose of determining the maximum period of leave on average pay which can be had in one spell, the limit of leave on average pay ordinarily admissible when it is combined with vacation by a Government servant of a vacation department subject to the ordinary leave rules will be either the credit in column 6 of the leave account plus the period of vacation or 4 months, whichever is less

[Ar G's letter No T 824 A/19931, dated 13th July 1933]

F. R. 83. (1) Subject to the conditions hereinafter specified a local Government may grant special disability leave to a Government servant who is disabled by injury intentionally inflicted or caused in, or in consequence of, the due performance of his official duties or in consequence of his official position.

(2) Such leave shall not be granted unless the disability manifested itself within three months of the occurrence to which it is attributed, and the person disabled acted with due promptitude in bringing it to notice. But the Governor General in Council, if he is satisfied as to the cause of the disability, may permit leave to be granted in cases where the disability manifested itself more than three months after the occurrence of its cause

(3) The period of leave granted shall be such as is certified by a medical board to be necessary. It shall not be extended except on the certificate of a medical board, and shall in no case exceed 24 months.

(4) Such leave may be combined with leave of any other kind.

(5) Such leave may be granted more than once if the disability is aggravated or reproduced in similar circumstances at a latter date, but not more than 24 months of such leave shall be granted in consequence of any one disability.

(6) Such leave shall be counted as duty in calculating service for pension, and shall not, except as provided in Rule 78 (b), be debited against the leave account.

Section V.—LEAVE-SALARY.

90491

F. R. 87. Subject to the conditions in Rules 81, 88, 89, and 90, Government servant on leave shall, during leave, draw leave-salary as follows:—

- (a) If the leave is due, leave-salary equal to average pay, or to half average pay, or to average pay during a portion of the leave and half average pay during the remainder, as he may elect; and
- (b) If the leave is not due, leave-salary equal to half average pay.

Provided that when a non-gazetted Government servant who was in service on the 24th day of August 1927 takes leave and—

- (i) his pay is less than Rs. 300, or
- (ii) the leave taken does not exceed one month.

his average pay for the purpose of this rule may be taken to be the pay which he would draw in the permanent post held substantively by him at the time of taking leave if this pay be more than the average pay.

1 [Provided further that the leave-salary of an inferior Government servant shall not exceed what remains from his pay after providing for the efficient discharge of the duties of the post during his absence, except when, in the resultant officiating arrangements, a Government servant who has no substantive post is given more than half the pay of the post in which he officiates, in which case the excess over half pay granted to him may at the discretion of the authority sanctioning the leave be disregarded in calculating the amount of leave-salary.]

the 12 complete months immediately preceding the month in which the event occurs which necessitates the calculation of the average pay. The word 'pay' for this purpose should be taken to mean subsistence allowance plus task work earnings. In calculating the 12 months' average, for the purpose of this rule only the actual period of duty as task work messenger falling within the period of 12 months immediately preceding the date of the officiating or substantive promotion should be taken into account.

[F. O. & No. 533-A/7223 dated 26th April 1923]

(2) It was not the intention that a Government servant should be permitted to manipulate different arrangements of leave to his own advantage. Fundamental Rule 87 (a) provides that Government servant on leave shall during leave, if the leave is due, draw leave salary equal to average pay, or to half average pay, or to average pay during a portion of the leave and half average pay during the remainder, as he may elect. The election given by the rule is the election between the three different forms of leave salary mentioned therein and the rule is not intended to give any choice as to the period during which average pay or half average pay can be drawn if the officer elects the third form. In that case the intention is that the period on average pay should be taken first and should be succeeded by the period on half average pay.

[G. I. F. D., No. 604 C S R dated 26th April 1924, to the Government of Bihar and Orissa]

(3) The words "as he may elect" in F R 87 (a) imply election once for all and, therefore, debar a Government servant from claiming commutation of leave as of right. The Government of India with the concurrence of the Auditor General have therefore decided that though under the Fundamental Rules the authority which granted leave can (if so disposed) commute it retrospectively into leave of a different kind yet a Government servant does not possess any right to insist that it should be so commuted.

[Ar G = No 755-A /3-525, dated 2nd Jan 1926]

(4) For the purpose of the proviso to this rule, it has been decided by the Governor General in Council that —

- (i) A Government servant who was only temporary or officiating and was not holding substantively a permanent post on the 24th August 1927, has clearly no claim and
- (ii) A Government servant who was in permanent Government service on or before the 24th August 1927 and who was entitled to the privilege under this proviso will retain that privilege if reappointed after resignation or discharge or if re-instated after dismissal provided that he is allowed to count his past service for leave under Fundamental Rule 65 (a) or (b)

[G I F D letter No F 31 R I /28 dated 3rd April 1928]

(5) A Government servant who was holding on probation, a permanent post on the 24th August 1927 and had other post is not entitled to the concessive proviso to Fundamental Rule 8 governed by Fundamental Rule I to V of Chapter X of the Fundamental Rules

(2) A Government servant who holds substantively a non gazetted permanent post but proceeds on leave from a gazetted post, should be regarded as a gazetted officer for the purposes of this rule

(3) The term "pay" occurring in the expression "the pay which he would draw in the permanent post held substantively by him" contained in the proviso should be interpreted as including "special pay" whether attached to a post or personal to a particular Government servant, since in either case he would draw it in the post which he holds substantively

[Para. 2-1, Chap. X, Sec. I of Manual of Audit Instructions (1926)]

(4) The phrase 'at the time of taking leave' occurring in the proviso to this rule, denotes a point in time and that point is the moment at which leave begins. If, therefore, a Government servant proceeds on leave with effect from the forenoon of a day on which an increment falls due, this increment cannot be taken into account in the calculation of his leave salary. His increment does not begin

F. R. 89 (1) During the first four months of any period of leave on average pay, leave-salary is subject to an absolute maximum of Rs. 4,000 per mensem, but this provision shall not apply to any Government servant, not being a member of the Indian Civil Service who held on the 28th September 1927, a post to which a salary is attached exceeding Rs. 4,000 a month, or to the person who at that date held the office of Auditor General.

F. R. 96. The only form of leave which may be granted to a Lieutenant-Governor, whether substantive or officiating, is leave on medical certificate for not more than six months. On resuming his duties after such leave, he may receive leave-salary equal to half his pay for the period of absence. If he does not resume his duties, he may draw the leave salary to which he would have been entitled under rule 97 had he vacated his post before taking leave.

F. R. 112. If a Government servant is transferred to foreign service while on leave, he ceases, from the date of such transfer, to be on leave and to draw leave-salary.

Secretary of State's Orders—The Secretary of State for India had recently under consideration the question of removing the existing differentiation in treatment between officers of the Indian Services who take up employment in Indian States during the period of leave preparatory to retirement and those who are already on foreign service and to whom leave preparatory to retirement with permission to continue on duty in the service of the same employer during leave is not allowed. After consultation with the Government of India the Secretary of State has directed that at the present juncture the existing arrangements for the treatment of officers of the Indian Services who take up employment in an Indian State during leave preparatory to retirement should be maintained subject to the reservation that in order to prevent abuse the concession of drawing leave salary during leave preparatory to retirement in addition to pay from an Indian State should not be granted to officers retiring on proportionate pension or before reaching the age of superannuation if they take such leave after being offered, or having made arrangements for employment in a State, and that in such cases they should be required either to retire or go on foreign service terms.

Government of India's decisions—

(1) The Government of India have decided to accept the suggestions made by the Secretary of State with regard to the application of foreign service rules to officers accepting employment under an Indian State, while on leave preparatory to retirement.

Extract from the Secretary of State's Despatch Financial No 4, dated the 22nd February 1923 to the Governor General in Council

* * * * * The suggested treatment of service in an Indian State in the case of an officer on leave preparatory to retirement on proportionate pension as foreign service while the time so spent is simultaneously regarded as leave would not be in accord with the spirit and intentions of the Foreign Service procedure. Further, it would ordinarily have the effect of increasing the officer's difficulties in obtaining fresh employment. * * * * * I think therefore that the service in question if permitted by you, should be treated as being private employment, unless in any special case the circumstances are such that the Government of India think it right to treat the officer as one for whom an alternative career has been found by them. * * * * * In the latter case the officer would not be on leave the service should be treated as foreign service counting for pension contribution should be taken from the State concerned, and the proportionate pension should remain in suspense."

"2 I would treat officers about to retire on ordinary pension on similar lines i.e.,—

- (a) in the case (e.g. that of an officer who has reached or is approaching the age of superannuation) the officer, notwithstanding his employment with your permission in an Indian State should be allowed to take any leave which would be admissible to him had he not accepted such employment and pension contribution should not be required,

[G I, F D No 957 C S II dated 13th June 1923]

- (3) The Government of India have decided that the concession of treating employment in an Indian State during leave preparatory to retirement as private employment suggested by the Secretary of State in his despatch No 4 Financial dated the 22nd February 1923 [vide item (1) of Government of India's decisions above] should not be granted to officers who are in foreign service at the time they apply for such leave and propose to continue on duty in the service of the same employer during the leave. This view is in consonance with the Secretary of State's intention for the idea underlying the Secretary of State's suggestion was to facilitate the securing of post pension employment by officers proceeding on leave preparatory to retirement a consideration which does not obtain in the case of officers who are already in foreign service

or orders issued by the Governor General in Council under this section [Appendix II]

Government of India's decisions—

The Government of India have had under consideration the question whether, if an officer on foreign service in India is sent by his employer out of India on duty the nature of his employment is to be considered to have been changed and he should be treated as foreign service out of India for the period in question. It has been decided with the concurrence of the Auditor General that an officer in question should continue to be treated as foreign service in India but both in this case and in the converse case of an officer on foreign service out of India deputed by his employer to India on duty, who similarly continues to be on foreign service out of India, the fact of the officer's being so deputed should be brought to the notice of the lending authority as it might be necessary to consider the question of his emoluments.

[G. I. F. D. No 1010 E. B., dated 21st Aug 1922.]

The Government of India have had under consideration the question of the possibility of officers transferred to foreign service being entitled to the concession of sterling overseas pay to which they would have been entitled if under the Superior Civil Services had they not been so transferred. After due consideration it has been decided that it is impossible to express any part of the question in an officer on foreign service in sterling. The question of such officers should be given a corresponding increase in sterling pay is one for settlement in each case in consultation with the foreign employer. If it is decided after such consultation, an increase should be granted, the calculation of the rupee equivalent of a sterling pay will be made at the current rate of exchange.

34] Account Code) on the date the officer is transferred to foreign service. In the case of officers already in foreign service, the rate will naturally be the rate on the date with effect from which their pay is revised.

It is understood that in certain cases the pay of officers in foreign service is fixed as the pay they would receive in Government service or such pay plus a certain percentage thereof. In such cases, the Government of India consider that the foreign employer can equitably be called upon to pay the equivalent of sterling overseas pay according to the terms of the arrangement, though even in such cases his concurrence should be obtained. The sterling pay will then be converted monthly to rupees at the "current rate".

[G. I., F. D., letter No F/211 C. S. R./25, dated 6th July 1925.]

(3) Paragraph 2 of Government of India's decision (2) above should be taken as applicable to all cases in which the pay of an officer in foreign service is fixed as the pay which he would receive from time to time in Government service or the pay of a post in Government service, with or without an addition thereto in the form of a percentage of such pay $\frac{a}{or} \frac{d}{or}$ of a fixed sum

The decision that overseas pay should not be paid in sterling was based mainly on a consideration of the complications which would arise from an accounts point of view if Government were to make payments in sterling through the High Commissioner for India and recover the amount from the foreign employers. If, however, a foreign employer prefers to make his own arrangements to disburse the overseas pay in sterling and the employee agrees to it, the Government of India have no objection to the adoption of such a procedure, in that case, for the purpose of calculating contribution the amount paid in sterling should be converted to rupees at the "current rate of exchange"

[G. I. F. D., letter No F/221 C S R 25, dated 19th Jan 1926]

(4) Where the pay during foreign service of an officer who is entitled to the passage concessions under Schedule IV to the Superior Civil Services Rules, is fixed as the pay which he would receive from time to time in Government service with or without an addition thereto in the form of a percentage of such pay $\frac{1}{nd} \frac{or}$ of a fixed sum, the foreign employer is liable to pay, in addition to the pay originally fixed and the sterling overseas pay or its equivalent in rupees, passage pay at the rate of Rs 50 per mensem with effect from the 1st April 1924

The Passage Fund has been abolished with effect from the 1st April 1920 but foreign employers will continue to be liable to pay Rs 50 per mensem in the case of officers referred to above as their share of the cost of free passages * * *

The Governor General in Council has * * * decided that, in respect of officers other than those serving under Provincial Governments who are transferred to foreign service on and after the date of receipt of this letter, a contribution for passages at the rate of Rs 50 a month payable during the whole tenure of an officer's service under the foreign employer whether he is on leave or duty, should be levied in all cases in which the officer is eligible for the passage concession

[G. I. I. D., letter No F/18 VI C S R 26, dated 12th June 1925]

(5) The Governor General in Council considers that the liability on account of the Passage concessions to non Superior officers of non Asiatic domicile under the Central Government under the rules promulgated in the Government of India, Home Department, Memorandum No T 10/4/30 Ests, dated the 6th August 1930 in respect of those officers on foreign service who are admitted to them is one which should legitimately be borne by the foreign

employers. He has, therefore, decided that a contribution, fixed provisionally at the rate of Rs 30 per mensem, should be levied with effect from the 1st April 1931, from all foreign employers under whom such officers may be serving. The contribution will be payable throughout the officer's service under the Government of India whether he is a member of the Government of India.

Government of India's decision—

For the purposes of the rules communicated in Government of India, Finance Department letter No 479 C S R, dated the 15th April 1921, and in supersession of the rule in Article 774 Civil Service Regulations, the pension contributions recovered on behalf of an officer in foreign service will in all cases be credited to and the foreign service treated as service under the Government (Central or Provincial) under which he was permanently employed at the time of his transfer to foreign service.

This decision will apply to all foreign service rendered from and after the 24th October 1921, the pension contributions received in respect thereof being adjusted accordingly by the local Accountant General.

Foreign service rendered prior to the 24th October 1921 will perforce require to be treated as service under the Government which has already received the contributions, and the ultimate apportionment of pensionary charges in certain cases will be worked out accordingly under the rules promulgated with the letter under reference.

The principles enunciated above shall also apply to the contributions recovered towards the leave salary of officers on foreign service in India. That in all such contributions received in respect of foreign service rendered from and after the 24th October 1921 will be credited to the Government (Central or Provincial) under which the officers were permanently employed at the time of their transfer to foreign service and all those received in respect of foreign service rendered prior to that date will remain on the books of the Government which has already received them. The foreign service will thus be treated as service for leave under the Government which has received the contributions and such Government will bear its share of leave salary in accordance with the last paragraph of the rules promulgated with the letter under reference.

Audit Instruction—

Similarly if the officer is on non pensionable footing and subscribing to a contributory provident Fund and if he is allowed to retain this privilege while in Foreign Service, the orders should specify the arrangement made with reference to paragraph 7 of the resolution of the Government of India in the Finance Department No F 81 R I/24 dated the 11th February 1929 (Appendix 11 A) and state that these will be subject to amendment consequent upon any revision of the orders contained in that paragraph

Auditor General's decisions—

(1) The orders in Government of India, Finance Department, Resolution No 15 E B dated the 18th January 1922 (*vide* entry below Fundamental Rule 109) were not intended to place officers who were transferred to foreign service before 1st January 1922 and who have elected to come under the new leave rules in a better position in the matter of leave salary than those transferred to foreign service subsequently. What was intended is that the principle of the rules in (old) Fundamental Rule 116 (New F R 117) should be applied to both cases of officers. The expression "their pay in foreign service" in clause (1) of the Resolution should therefore be taken as meaning "the pay drawn in foreign service less such part of it as may be paid as contribution".

In the case of officers who are exempted from the payment of contribution leave salary should be based on the actual pay in foreign service without regard to contribution, which would have

summary to retirement, coupled with permission to remain in the service of the foreign employer, leave may be granted only on the condition that the Government servant's reversion to Government service will, under F. The question of the Government servant's reversion to Government service need not be pressed if he agrees not to continue to work under the foreign employer for the period of leave, that is, he may have leave without reverting to Government service, and may have his pension calculated on the pay which he would have drawn on foreign service.

Where, however, a Government servant has been on foreign service whether in or out of India for a considerable period, a claim to be granted by Government leave preparatory to retirement and to draw leave salary in respect of such leave should be carefully scrutinised and such leave should not ordinarily be granted on the principle that leave preparatory to retirement may be justified in cases where a Government servant desires to establish himself in

summary to retirement, coupled with permission to remain in the service of the foreign employer, leave may be granted only on the condition that the Government servant's reversion to Government service will, under F. R. 123, take effect from the date of taking leave. He will then get the concession of adding leave salary from Government to pay drawn from the foreign employer, just as if he had been permitted to take up private employment during leave preliminary to retirement. But he will not be asked to increase his pension because his pension will thereafter be calculated on the pay which he would have got on resuming duty in Government service. The question of the Government servant's reversion to Government service need not be raised if he agrees not to continue to work under the foreign employer for the period of leave, that is, he may have leave without reverting to Government service, and may have his pension calculated on the pay which he would have drawn on foreign service.

Where, however, a Government servant has been on foreign service whether in or out of India for a considerable period, a claim to be granted by Government leave preparatory to retirement and to draw leave salary in respect of such leave should be carefully scrutinised and such leave should not ordinarily be granted on the principle that leave preparatory to retirement may be justified in cases where a Government servant desires to establish himself in

new conditions and possibly in new employment but cannot be justified where he is already well established by length of service in employment on foreign service.

525 S. R. 6-A. A competent authority may sanction the grant of grain compensation allowance, up to a maximum of Rs. 3 a month, to a whole-time Government servant whose pay does not exceed Rs. 30 a month, whenever from temporary causes there is a material rise in prices above the normal in the particular locality in which the servant is employed. A Government servant whose headquarters are stationed within the territories administered by a local Government or Administration which has granted grain compensation allowance to Government servants under its administrative control may draw the allowance on the same terms and conditions as those prescribed by that local Government or Administration. ~~This rule does not apply to Government servants employed in the Posts and Telegraphs Department elsewhere than in the office of the Director General, Posts and Telegraphs.~~

The allowance may be drawn—

(a) during leave, if the authority sanctioning the leave certifies that the Government servant is likely, on the expiry of the leave, to be appointed to a post to which a grain compensation allowance is attached,

(b) during temporary transfer, if

(i) the authority sanctioning the transfer certifies that the Government servant is likely, on the expiry of the temporary duty, to be appointed to a post to which a grain compensation allowance is attached; and

(ii) the Government servant draws no grain compensation allowance in the post to which he is transferred.

NOTE 1.—A Government servant whose pay exceeds Rs. 30 a month may be granted by a competent authority grain compensation allowance subject to the condition that the total of his pay and grain compensation allowance shall not exceed the total amount admissible to an officer whose pay is Rs 30.

NOTE 2 —Overtime payments, fees and pension shall be treated as pay for the purpose of this rule

NOTE 3 —The allowance is to be determined with reference to the total emoluments drawn in a month and not with reference to the rate at which pay for the month, or any part of it, is drawn.

NOTE 4 —In the case of establishments on tour, the rate of grain compensation allowance should be that sanctioned for the locality in which their headquarters lie.

- (b) Conveyance or horse allowance
- (c) Mileage allowance.
- (d) Daily allowance.
- (e) The actual cost of travelling.

The rules in this chapter explain the nature of these allowances and the method of calculating them. The circumstances in which they may be drawn for particular journeys are described in Chapters III to V.

SECTION III.—PERMANENT TRAVELLING ALLOWANCE.

S. R. 22. A permanent monthly travelling allowance may be granted by a competent authority to any Government servant whose duties require him to travel extensively. Such an allowance is granted in lieu of all other forms of travelling allowance for journeys within the government servant's sphere of duty and is drawn all the year round, whether the Government servant is absent from his headquarters or not. Conditions of grant.

NOTE.—Appendix 16 contains the list of permanent travelling allowances sanctioned by the Governor General in Council in the case of certain Government servants.

S. R. 23. A permanent travelling allowance may not be drawn during leave, temporary transfer, or joining time or, unless in any case it be otherwise expressly provided in these rules, during any period for which travelling allowance of any other kind is drawn. When inadmissible.

S. R. 24. When a Government servant holds, either substantively or in an officiating capacity, two or more posts to each of which a permanent travelling allowance is attached, he may be granted such permanent travelling allowance, not exceeding the total of all the allowances, as a competent authority may consider to be necessary in order to cover the travelling expenses which he has to incur. Combination of posts.

SECTION IV.—CONVEYANCE AND HORSE ALLOWANCE.

S. R. 25. A competent authority may grant, on such conditions as it thinks fit to impose, a monthly conveyance or horse allowance to any Government servant who is required to travel extensively at or within a short distance from his headquarters under conditions which do not render him eligible for daily allowance. Conditions of grant.

[For a list of conveyance allowances, see Appendix 17.]

S. R. 26. Except as otherwise provided in these rules and unless the authority sanctioning it otherwise direct, a conveyance or horse allowance is drawn all the year round, is not forfeited during absence from headquarters and may be drawn in addition to any other travelling allowance admissible under these rules; provided that a Government servant, who is in receipt of a conveyance allowance specifically granted for the up-keep of a motor-car or motor-cycle, shall not draw mileage or daily allowance for a journey by the motor-car or motor-cycle except on such conditions as the authority which sanctions the conveyance allowance may prescribe. When drawn.

Government of India decision C.S. No. 572

[G I, F D No 7278 P, dated 8th Dec 1907]

Audit Instruction—The sanction of the Government of India is not required to the claim for road mileage by the Head of a Department for a journey performed by road between places connected by railway. The signature of the Head of the Department on the travelling allowance bill will be sufficient for the purpose of Supplementary Rule 31 provided that the travelling allowance bill is accompanied by a statement specifying clearly the public interest served by a journey by road which would not have been served had the journey been made by railway. It will be open to the audit officer to refer to the Government of India any case in which he considers that the concession has been abused.

[Para 2B, Sec II of Manual of Audit Instructions (1926)]

Auditor General's decision—The question was referred to the Auditor General whether the Director General, Posts and Telegraphs, still exercises the powers given to him by the Government of India, Finance Department, No 7278 P, dated 9th December 1907, to grant the full rate of travelling allowance for journeys performed by motor car between stations connected by railway. It was decided by the Auditor General that under S R 31 read with Serial No 18 of Appendix 13 and item 30 of Government of India, Finance Department Resolution No 336 C S R, dated 25th April 1922 (Appendix 14) the Director General, Posts and Telegraphs as Head of a Department has full power to allow mileage in cases of journeys by motor car between places connected by Railway provided the selection of such a route is in the interests of Government.

Director General's Instructions—

(1) The issue of Director General's formal sanction is necessary for road mileage drawn for journeys by motor car between places connected by railway. In all cases in which such journeys have to be undertaken brief particulars of the public service on account of which the charge has been unavoidably incurred should be given in the travelling allowance bills before they are submitted to the Director General for countersignature.

[D G, P T No 28 B dated 13th Aug 1923]

(2) The Director General's sanction is not necessary under S R 31, for road mileage drawn for journeys between places connected by railway when the train service between those places ceases.

S. R. 32-A. A Government servant is required to travel by the class of accommodation for which travelling allowance is admissible to him. The provisions of all rules regulating mileage allowance contained in Division VI of these rules are subject to the condition that if a Government servant travels in a lower class of accommodation, he shall be entitled to the fare of the class of accommodation actually used *plus* the extra fare or fares admissible for the journeys of the class by which he is entitled to travel. In cases, however, in which the controlling officer is satisfied that there were sufficient reasons for the Government servant having travelled by the lower class, he may allow the full travelling allowance admissible for the higher class.

S R. 33. Mileage allowance is differently calculated, as shown in the following rules, according as the journey is, or could be, made by railway, by sea or river steamer or by road.

SUB-SECTION (II).—MILEAGE ALLOWANCES FOR JOURNEYS BY RAILWAY.

S. R. 34. For the purpose of calculating mileage allowance, Government servants when travelling by railway are considered to be entitled to class accommodation according to the following scale:—

(a) *A Government servant of the first grade.*—Accommodation of the highest class, by whatever name it may be called, provided on the railway by which he travels.

(b) *A Government servant of the second grade.*—Second or, if the line by which he travels provides no second class accommodation on any train, highest class.

(c) *A Government servant of the third grade*—

(i) If travelling on the Darjeeling-Himalayan Railway except the Siliguri-Kissenganj extension; third class.

(ii) If travelling on any other railway which provides no intermediate class accommodation on any of the trains which stop at the stations to and from which he is travelling, including the Siliguri-Kissenganj extension:—

(1) where there are two classes only, lower class, and

(2) where there are three classes, second class, if his pay is not less than Rs. 100 and third class if it is less than Rs. 100.

(iii) If travelling on any railway which provides intermediate class accommodation on trains which stop at the stations to and from which he is travelling: intermediate class.

(d) *A Government servant of the fourth grade*—The lowest class whether it be called lower, third or fourth.

Different rates for different classes of journey

Classes of accommodation for which Government servants are considered to be eligible

Government of India's orders—Stenographer-camp clerks, to administrative officers in the various circles in the Indian Posts and Telegraphs Department whose pay is less than Rs 100 a month should, when travelling by rail, be allowed second class accommodation on trains in which intermediate class accommodation is not available. The reason for the grant of this concession is that stenographer camp clerks actually accompany on tour the officers to whom they are attached and cannot be really useful to the latter if they have to travel third class by trains other than those in which the officers travel.

S. R. 63 A competent authority may impose such restrictions as it may think fit upon the frequency and duration of journeys to be made on tour by any Government servant or class of Government servants Restrictions on the duration and frequency of tours

S. R. 64 If a competent authority declares that the pay of a particular Government servant or class of Government servants has been so fixed as to compensate for the cost of all journeys, other than journeys by rail or steamer, within the Government servant's sphere of duty, such a Government servant may draw no travelling allowance for such journeys though he may draw mileage allowance or, if he be ~~in interior service, travelling allowance under rule 78, for journeys~~ by rail or steamer. When travelling on duty, with proper sanction, beyond his sphere of duty, he may draw travelling allowance calculated under the ordinary rules for the entire journey, including such part of it as is within his sphere of duty. Government servants who are not entitled to travelling allowance for journeys on tour

[For a list showing rates of Travelling Allowance of Line-staff of the Telegraph Engineering Branch for journeys on tour see Appendix 15-A]

[For a list of officers who are not entitled to travelling allowance for journeys on tour see Appendix 19]

- (2) a competent authority may by general or special order, permit a Government servant whose sphere of duty extends beyond the limits of a single district to draw in addition to permanent travelling allowance whenever his actual travelling expenses for a duly authorised journey by public conveyance exceed double the amount of his permanent travelling allowance for the period occupied in such journey, the difference between such double permanent travelling allowance and the mileage allowance calculated for the journey

S R 68 When a Government servant in receipt of permanent travelling allowance travels on duty with proper sanction beyond his sphere of duty he may draw mileage allowance for the entire journey including such part of it as is within his sphere of duty, and may draw in addition permanent travelling allowance for any day of his absence for which he does not draw mileage allowance. This rule does not apply to a Government servant who travels beyond his sphere of duty in the course of a journey from one place within that sphere to another such place, or to a Government servant who makes by road alone, a journey not exceeding 20 miles

Mileage allowance in excess of permanent travelling allowance

SUB SECTION (III) — GOVERNMENT SERVANTS NOT IN RECEIPT OF PERMANENT TRAVELLING ALLOWANCE

Sub Division (i) — Daily allowance

S R 69 Except where otherwise expressly provided in these rules, a Government servant not in receipt of permanent travelling allowance draws travelling allowance for journeys on tour in the shape of daily allowance

General rule

S R 70 Daily allowance may not be drawn except during absence from headquarters on duty. A period of absence from headquarters begins when a Government servant actually leaves his headquarters and ends when he actually returns to the place in which his headquarters are situated, whether he halts there or not

Drawn during absence from headquarters on duty

S R 71 Daily allowance may not be drawn for any day on which a Government servant does not reach a point outside a radius of five miles from his headquarters or return to his headquarters from a similar point

Distance to be travelled before daily allowance is admissible

S R 72 Subject to the conditions laid down in rules 73 and 74, daily allowance may be drawn during a halt on tour or on a holiday occurring during a tour

Halts on tour

Government of India's orders — The Government of India have decided to reaffirm the order—

- (a) that a Government servant who takes casual leave while on tour is not entitled to draw daily allowances during such leave and
- (b) that daily allowance is not admissible for any day whether Sunday or holiday unless the officer is actually and not merely constructively in camp

[G I F D No F 85/C S R 26 dated 13th March 1926 and No F 19 (33) R I 31 dated 9th April 1931]

S R 73 Daily allowance may not be drawn for a continuous halt of more than ten days at any one place, provided that a competent authority may grant general or individual exemptions from the operation of this rule, on such conditions as it thinks fit, if it is satisfied—

- (a) that prolonged halts are necessary in the interests of the public service, and
- (b) that such halts necessitate the maintenance of camp equipment or, where no camp equipment is maintained, continuing after the first ten days, to entail extra expense upon the halting Government servant

Government of India's decisions—

(1) Exemptions from the operation of Supplementary Rule 73 which prohibits the drawal of daily allowance by a Government servant for a period in excess of 10 days in respect of a halt at a outstation may be granted only in cases where the conditions prescribed in clauses (a) and (b) are satisfied and in granting such exemptions the competent authority may impose such conditions as it thinks fit. One such condition is the reduction in the amount of the daily allowance that may be drawn and the principle underlying is that the expense incurred by a Government servant in respect of a halt at an outstation ordinarily decreases in proportion to the length of his stay at that station. This principle should be borne in mind by the authorities to whom powers under this rule have been delegated and the rate of daily allowance should be suitably reduced after the first 10 days in all cases except those which present special features. Cases in which special treatment may be justified will in addition to those of the kind mentioned in clause (b) of Supplementary Rule 73 be generally those in which the halt of a Government servant at an outstation is of uncertain duration which makes it impossible for him to arrange for proper accommodation and which

"Government of India's decision—If actual places of duty fall outside the five mile radius at the outstation, road mileage allowance, limited to daily allowance unless the journey by road exceeds 20 miles, may be allowed under S. R. 76 (b) (ii). But if places of duty are situated in localities within the five mile radius at the outstation, road mileage is admissible to and from the first place of duty only. The above distinction of the places within a five mile radius and beyond can be made as daily allowance is a uniform allowance for each day of absence from headquarters which is intended to cover the ordinary daily charges incurred by a Government servant in consequence of such absence. The ordinary daily charges can reasonably be held to include the cost of journeys within a radius of five miles from the place of halt. Thus a Government servant who halts at a place for a day and draws daily allowance will not be entitled to draw mileage for journeys within five miles of his camp. Similarly it may be held that when a Government servant arrives at his camp after making a railway journey and performs short journeys within five miles of his camp he is not entitled to any road mileage."

Government of India's decisions—

It is, therefore, applicable to cases in which a Government servant's transfer from one office to another within the same station is accompanied by a change in residence.

(c) The Government servant must pay to Government the fare which he would have paid if no accommodation had been reserved and must, in addition, pay in cash to the station master of the station from which the journey commences the fares for any members of his family accompanying him, whether they share his reserved accommodation or not. When Government pays full tariff rates for the accommodation, all such fares will be credited to Government.

Government of India's decision—The concession admissible in the case of certain high officers under this rule was sanctioned for reasons of prestige, and as these reasons hold good even in cases where the Government servant concerned holds one of the appointments referred to in that rule in an officiating capacity, the concession is admissible in such cases also.

Audit Instruction—When once a Government servant appointed to be a Member of the Executive Council of the Governor General, ~~a Political Resident of the first class~~, exercises the option to be governed by the terms in S R 117, he ceases to have any claim to any of the concessions, for example, the claim of transporting his personal effects and conveyance from his old to his new station, admissible under S R 116.

authority

S. R. 128 A Government servant, other than a Government servant moving with the headquarters of a Government, who travels on duty to a hill station within his sphere of duty or is required by the orders of a superior authority to travel to a hill station on duty, may draw travelling allowance during his absence as for a journey on tour. Such a Government servant will, however, forfeit all claim to travelling allowance for the journey and halt, other than permanent travelling allowance, if he prolongs his stay at the hill station beyond a period of ten days or the period necessary for the performance of the duty on which the journey is made, whichever is less, provided

that a competent authority may ¹[by general or special order] preserve the Government servant's claim to travelling allowance by—

(a) sanctioning a halt in excess of ten days, and

(b) officially intimating that his presence was required on duty throughout the period or that he was permitted to extend his stay during holidays immediately following his period of duty.

Government of India's decisions—

(1) The Government of India observe that the restrictions imposed in Supplementary Rule 73 on the drawal of daily allowance in excess of ten days apply also to halts in hill stations in the circumstances specified in Supplementary Rule 128. The increased cost of living in hill stations is recognised by the grant of increased rate of daily allowance and the continuance of the full increased daily allowance for a period in excess of ten days merely for the reason that the halt is in a hill station will not normally be justified. The instructions contained in item (1) of the Government of India's decisions under Supplementary Rule 73 should, therefore, be followed by the authorities to whom powers under Supplementary Rule 128 have been delegated when sanctioning halts in excess of ten days

[G I, F D letter No F 5 (44) B I /33, dated the 30th Sept 1933.]

(2) The instructions contained in the Government of India's decision above are not intended to apply to inferior servants

[G I, F D No 5 (44) B I /33 dated 12th May 1934]

Audit Instruction—The audit instruction under Supplementary Rule 78 should apply to cases covered by Supplementary Rule 128 also

Government of India's orders—

(1) (i) The Government of India have carefully reviewed the case of all recessing officers of the Indian Posts and Telegraphs Department in the light of orders and principles lately laid down by them and especially with respect to the following points—

(a) which officers should be allowed to recess in the hills and can do so without detriment to their official duties,

(b) at what hill station or stations the officers should be allowed to recess,

¹[] Inserted by G I, F D, Correction No 329 (S R), dated the 10th May 1935

- (c) for what period or periods the officers should be permitted to recess, and
- (d) the dates of commencement and conclusion of the period or periods of recess

(ii) As a result of the review the Governor General in Council has been pleased to issue the following orders on the subject —

- (a) The only officers of the Indian Posts and Telegraphs Department permitted to recess will be (i) Postmasters General (ii) Directors, Telegraph Engineering and (iii) Deputy Postmasters General, Postal and Telegraph Traffic

- (b) the total period of recess in a year in the case of a Postmaster General will be reduced from five months to three months, that of a Director of Telegraph Engineering from three months to two months and that of a Deputy Postmaster General, Postal or Traffic from two

Postmasters General and Directors Telegraph Engineering may recess only at the summer headquarters of the respective Local Governments. In the case of Deputy Postmasters General Postal and Traffic, the station of recess will be the same as for the Postmasters General and the Directors of the respective Circles. In Circle, however in which there are Postal Ranges, the Deputy Postmasters General Postal may recess at any Hill Station in their jurisdiction in British India which may be approved by the Head of the Circle if there are no Local Government summer Headquarters in their respective Ranges. The Deputy Postmasters General, Traffic Central and Bengal and Assam Circles may recess at Pachmarhi and Darjeeling only and not at Mount Abu and Shillong respectively. The Postmaster General Central Circle, is required to stay at Mount Abu for a period of not less than 3 weeks or more than 30 days in the year in accordance with the orders and subject to the conditions laid down in Industries and Labour Department's letter No 11 P T dated the 21st July 1923 [vide paragraph (vi) of this item] which will remain in force. This stay of the Postmaster General Central Circle at Mount Abu is exclusive of the period named in clause (b) above,

the dates of commencement and conclusion of the period or periods of recess need not be definitely fixed but should be left to the discretion of the recessing officers concerned who should report the actual dates in advance to the Director General as well as to the respective audit

officers A Postmaster General, his Director of Telegraphs or any one of his Deputy Postmasters General should not recess at the same time without the approval of the Director General

(iv) The reductions in the total periods of recess ordered above have been made on general grounds and not because the privilege has been abused

(v) The general conditions governing visits to hill stations on recess as laid down in Government of India Finance Department Office Memorandum Nos F 9 (81) R I/29 and F 9 (97) R I/29 dated the 22nd August 1929 and 8th October 1929 respectively [vide items (2) and (3)] will apply to recessing officers of the Indian Posts and Telegraphs Department subject to the exception laid down in paragraph (u) (d) above

which he may spend the recess, should be fixed by a general order of the Department concerned and communicated to the audit officer

- (ii) The total period may be split up into two periods under the general or special order of the Department concerned, likewise communicated to the audit officer
 - (iii) The dates of commencement and conclusion of the period, or periods of recess should be fixed by the Department either annually or subject to condition (iv) for a period of years, and should be communicated by the Department to the audit officer in time to reach him before they are acted upon. Any modification of these dates should be communicated promptly by the Department to the audit officer
 - (iv) The dates should, as far as possible, be so fixed that they will include any period during which the officer's presence is likely to be required at the hill station for the purpose of consultation, attendance at Committee Meetings, conferences or the like
 - (v) The officer as is laid down in Supplementary Rule 129, will draw neither daily allowance nor mileage allowance for his journeys to or from the hill station, and will draw no daily allowance for the periods of halt at the hill station
 - (vi) The staff accompanying the officer should be limited to one clerk or stenographer and one peon, but in special cases two peons may be allowed with previous concurrence of the Finance Department. When a recess is split up into two periods the staff should be limited to one peon for the shorter of the two periods
 - (vii) This staff will be entitled to travelling allowance at tour rates for their journeys to and from the hill station. The clerk or stenographer will be granted daily allowance at full rates for the first ten days of his halt at the hill station and at half rates thereafter. The peon or peons will draw daily allowance at full rates for the entire period of halt
- 2 The above conditions will take effect from the 1st January
30 existing orders remaining in force meantime
- 3 Officers of the Central Government present in Simla during Simla season fall into one or other of the three following categories —
- (a) Officers who for official reasons are required to move with the headquarters offices of the Government of India
 - (b) Officers visiting Simla on a tour of official duty
 - (c) "Recessing officers", i.e., officers who mainly for their own convenience are permitted to take their work to Simla for part of the Simla season

Owing to shortage of accommodation and for other reasons it is important that the numbers of officers in categories (a) and (c) should be strictly limited, to what is necessary or desirable on public grounds. On the other hand it is important that officers whose presence at a hill station for purposes of consultation, etc., is found to be an annual necessity, should, if other considerations permit, be classified as "recessing" officers and Departments will doubtless bear this fact in mind. The classification of officers as recessing officers should be carried out with special care, and the Finance Department requests that all other Departments of the Government of India will intimate to it and to audit in due course which of the officers serving under them have been classified as "recessing officers" and which have been otherwise classified.

[G I F D letter No F 9 (81) R I /29 dated 22nd Aug 1929]

(3) The Government of India have decided to lay down the following rules to govern the travelling allowance of an officer for journeys on tour during the period of his recess at a hill station —

- (i) No travelling allowance may be drawn for a direct journey from the hill station to the officer's headquarters or *vice versa* during the period of the recess
- (ii) If journeys from headquarters to the hill station and *vice versa* are combined with inspection the usual travelling allowance admissible for the journey may be drawn but the travelling allowance ordinarily due for a direct journey between the permanent headquarters and the hill station should be deducted from the total amount claimed
- (iii) When tours of inspection are undertaken from the hill station where the officer is recessing travelling allowance may be drawn at the usual rates provided that the total amount involved does not exceed the amount which would have been admissible had those inspections been carried out from the officer's regular headquarters
- (iv) Journeys from a hill station to particular station and back should not normally be undertaken. When, however, such journeys are unavoidable on account of urgent Government business, travelling allowance may be drawn at the usual rates, provided that the amount does not exceed the amount which would have been admissible had the journey been made from the regular headquarters. In such cases the reasons for the journey should be recorded on the travelling allowance bill for the information of the countersigning officer, if any, and that of the Audit Officer

S. R. 213. If the Government servant on leave is a Gazetted officer, such certificate should be obtained from a Medical Committee except (1) in cases in which the leave is for not more than three months, or (2) in cases in which leave is for more than three months or leave for three months or less is extended beyond three months, but the Medical Committee granting the original certificate or the certificate for extension state at the time of granting such certificate that the Government servant need not appear before another Medical Committee for obtaining the certificate of fitness. SECTION I.—LEAVE ACCOUNTS.

maintained.

S. R. 214. The leave account required by Fundamental Rule 76 shall be maintained in such form as the Auditor General may prescribe.

S. R. 215. (a) The leave account of a gazetted Government servant shall be maintained by, or under the direction of, the principal auditor responsible for the audit of his pay.

(b) The leave account of a non-gazetted Government servant shall be maintained by the head of the office in which he is employed.

Government of India's orders—See item (2) of 'Government' of India's Orders' under Supplementary Rule 199

Auditor General's decisions—

(1) When a Government servant is appointed to officiate in a gazetted post, the Audit Officer should at once call for his leave account and maintain it under clause (a) of this rule. When he takes leave, if he is expected to return to the gazetted post, the account may remain with the Audit Officer, otherwise, it would go to the head of the office in which he holds his non gazetted post

The status of such a Government servant during leave is however non gazetted. He should, therefore, be taken as belonging to the establishment of the office in which he holds a lien on a substantive post and the head of that office should draw his leave salary, and

disburse it to him, and should sanction the grant to him of any extension of leave which may be given.

[A. G. s. letter No 1216 Admn 43428 dated 31st Oct 1928]

(2) As the status of an officiating Gazetted Government servant during leave has been held to be non gazetted [vide Auditor General's decision (1) above], applications for extensions of leave by such a Government servant should be treated in the same way as similar applications from other non gazetted servants, that is to say, the procedure prescribed in rule 2 of Appendix 8 should be followed. If the extension of leave applied for is leave in India, and the Government servant's leave account is with the Audit Officer, the leave account should be called for by the Head of the Office from the former so that he may sanction the admissibility of the extension asked for and deal with the application for leave. As regards the fixation of the leave salary to be drawn during such extension, the Audit Officer should when communicating the amount of leave salary payable during the first period of leave also state what the 'average pay' of the Government servant in question is, so that the officer drawing the leave salary of the Government servant may determine the amount of leave salary to be paid during the period of extension.

[A. G. s. letter No 727 Admn N 14331 dated 13th May 1931]

SECTION II—APPLICATION FOR LEAVE.

S. R. 216 Except as provided in rules 217 and 218, an application for leave or for an extension of leave must be made to the authority competent to grant such leave or extension.

To whom application should be made.

S. R. 217 An application for leave by a chaplain must be forwarded, through the proper channel, to the Bishop of the Diocese; whether such Bishop is or is not competent to grant the desired leave.

S. R. 218. An application by a commissioned medical officer in permanent or temporary civil employ for leave exceeding four months, other than leave on medical certificate, or for an extension of such leave, must be submitted to the local administrative medical officer by whom it will be forwarded to the Director-General, Indian Medical Service. The Director General will countersign the application if the state of the public service admits of the grant of the leave; otherwise, he will abstain from countersigning it. In either case, he will forward the application for disposal to the authority competent to grant the leave.

S. R. 219. A Government servant transferred to foreign service must, before taking up his duties in foreign service, make himself acquainted with the rules or arrangements which will regulate his leave during such service.

S. R. 219-A. A Government servant on foreign service in India should submit all applications for leave, other than leave on average pay not exceeding four months, with the report of the Account Officer, through his employer to the authority competent to sanction the leave.

SECTION III.—MEDICAL CERTIFICATES.

General
rules.

S. R. 220. Medical officers must not recommend the grant of leave in any case in which there appears to be no reasonable prospect that the Government servant concerned will ever be fit to resume his duties. In such cases, the opinion that the Government servant is *permanently unfit for Government service* should be recorded in the medical certificate.

S. R. 221. Every certificate of a medical committee or a medical officer recommending the grant of leave to a Government servant must contain a proviso that no recommendation contained in it shall be evidence of a claim to any leave not admissible to the Government servant under the terms of his contract or of the rules to which he is subject.

Procedure
in the case
of Gazetted

S. R. 222. Before a gazetted Government servant can be granted leave, or an extension of leave, on medical certificate, he must obtain a certificate in the following form:—

² [1] Inserted by G I, F D, Correction No 214 (S R), dated 12th July 1935

NOTE 1.—This form should be adhered to as closely as possible and should be filled in after the signature of the applicant has been taken. The Certifying Officer is not at liberty to certify that the applicant requires a change from or to a particular locality, or that he is not fit to proceed to a particular locality. Such certificates should only be given at the explicit desire of the administrative authority concerned, to whom it is open to decide, when an application on such grounds has been made to him, whether the applicant should go before a Medical Board to decide the question of his fitness for service.

NOTE 2.—No recommendation contained in this certificate shall be evidence of a claim to any leave not admissible to the Government servant under the terms of his contract or of the rules to which he is subject.

S. R. 223. Having secured such a certificate, the Government servant must, except in cases covered by rule 226, obtain the permission of the head of his office or, if he himself is the head of an office, of the head of his department to appear before a medical committee. He should then present himself with two copies of the statement of his case before such a committee. The committee will be assembled under the orders of the Administrative Medical Officer of the province in which the Government servant is serving, who will, where practicable, preside over it. The committee will be assembled either at the headquarters of the province or at such other place as the local Government may appoint.

S. R. 224. Before the required leave or extension of leave can be granted the Government servant must obtain from the committee a certificate to the following effect:—

“We do hereby certify that, according to the best of our professional judgment, after careful personal examination of the case, we consider the health of G. D. to be such as to render leave of absence for a period of months absolutely necessary for his recovery”

2[NOTE.—In cases in which the leave recommended is for more than 3 months or leave for 3 months or less is extended beyond 3 months, the Medical Committee shall state, at the time of granting this certificate, whether the Government servant should or need not appear before another medical Committee for obtaining the certificate of fitness for return to duty]

S. R. 225. Before deciding whether to grant or refuse the certificate, the committee may, in a doubtful case, detain the applicant under professional observation for a period not exceeding fourteen days. In that case it should grant to him a certificate to the following effect:—

“G. D. having applied to us for a medical certificate recommending the grant to him of leave, we consider it expedient, before granting or refusing such a certificate, to detain G. D. under professional observation for days”.

S. R. 230. Cancelled.

Procedure in the case of non gazetted Government servants, in inferior service

S. R. 231. In support of an application for leave, or for an extension of leave, on medical certificate from a non-gazetted Government servant in inferior service, the authority competent to grant the leave may accept such certificate as it may deem sufficient.

SECTION IV.—GRANT OF LEAVE.

Priority of claims to leave

S. R. 232. In cases where all applications for leave cannot, in the interests of the public service, be granted, an authority competent to grant leave should, in deciding which application should be granted, take into account the following considerations:—

- (a) The Government servants who can, for the time being, best be spared.
- (b) The amount of leave due to the various applicants
- (c) The amount and character of the service rendered by each applicant since he last returned from leave.
- (d) The fact that any such applicant was compulsorily recalled from his last leave.
- (e) The fact that any such applicant has been refused leave in the public interests.

Grant of leave to a Government servant who is unlikely to be fit to return to duty.

S. R. 233. When a medical committee in India has reported that there is no reasonable prospect that a particular Government servant will ever be fit to return to duty, leave should not necessarily be refused to such Government servant. It may be granted, if due, by a competent authority on the following conditions:—

- (a) If the medical committee is unable to say with certainty that the Government servant will never again be fit for service in India, leave not exceeding twelve months in all may be granted. Such leave should not be extended without further reference to a medical committee.
- (b) If the medical committee declares the Government servant to be completely and permanently incapacitated for further service in India, the Government servant should, except as provided in clause (c) below, be invalided from the service, either on the expiration of the leave already granted to him, if he is on leave when examined by the committee, or, if he is not on leave, from the date of the committee's report.
- (c) A Government servant declared by a committee to be completely and permanently incapacitated may, in special cases, be granted leave, or an extension of leave, not exceeding six months as debited against the leave account, if such leave be due to him. Special circumstances justifying such treatment may be held to exist when the Government servant's breakdown in health has been caused in and by Government service, or when the Government servant has taken a comparatively small amount of leave during his service or will complete at an early date an additional year's service for pension.

S. R. 234. Leave should not be granted to a Government servant who ought at once to be dismissed or removed from Government service for misconduct or general incapacity.

Grant of leave to a Government servant who ought to be dismissed

S. R. 235. If, in a case not covered by rule 234, an authority competent to remove a Government servant from service decides, before such Government servant departs from India on leave, that he will not be permitted to return to duty in India, it must inform him to that effect before he leaves India.

Procedure when a Government servant is not allowed to return to duty after leave

S. R. 236. If, when a Government servant is about to depart from India on leave, it is necessary to consider the propriety of removing him for incapacity, whether mental or physical, which is of such a nature that it is impossible to decide, before he leaves India whether it will be permanent or temporary; or if for any reason it is considered inexpedient that a Government servant on leave should return to India; a full report of the circumstances must be made by the Governor General in Council to the India Office in time to enable the Secretary of State in Council to take any necessary measures before the Government servant would in the ordinary course be permitted to return to duty. The report should in any case reach the India Office at latest three months before the end of the Government servant's leave. Local administrations must communicate the facts to the Governor General in Council in time to permit of the punctual submission of such report.

S. R. 237. When leave on medical certificate has been granted to a Government servant or, in the case of a military officer in civil employ, when the grant of such leave has appeared in orders, if such Government servant or military officer proposes to spend his leave in Europe, North Africa, America or the West Indies, the Governor General in Council or the local administration, as the case may be, must without delay forward a copy of the medical statement of the case to the High Commissioner for India.

Cases in which a copy of the medical statement of a case must be forwarded to the High Commissioner

S. R. 237-A. When a Government servant who has been granted leave for reasons of health proceeds to any of the localities named in Rule 252, the authority which granted the leave shall inform the High Commissioner for India whether a certificate of fitness is required under the second sentence of Fundamental Rule 71.

SECTION V.—DEPARTURE ON LEAVE.

S. R. 238. Every Government servant proceeding on leave out of India should procure from the audit officer and take with him a copy of the memorandum of information issued for the guidance of Government servant proceeding on leave out of India. If the leave has been granted on a medical certificate, he must take a copy of the medical statement of his case also.

Procedure when departing on leave out of India

S. R. 239. A Government servant taking leave out of India must, if so required by the audit officer, report his embarkation through that officer to the authority which granted his leave, in such form as the Auditor General may prescribe.

SECTION VI—RETURN FROM LEAVE

S R 299 If a Government servant takes leave while in transit from one post to another the period which has elapsed since he hands over charge of his old post must be included in his leave, unless the leave is taken on medical certificate. - (a) when the Government servant has been unable to use the ordinary mode of travelling or, notwithstanding due diligence on his part, has spent more time on the journey than is allowed by the rules; or
- (b) when such extension is considered necessary for the public convenience or for the saving of such public expenditure as is caused by unnecessary or purely formal transfers;
